Introduction

This Privacy Policy describes how Jarify ("we," "our," or "the App") handles your information. We are committed to protecting your privacy and being transparent about our data practices.

Information Collection

We do not collect, store, or transmit any personal data from our users.

Jarify is a personal finance tracking application that operates entirely on your device. All your financial data, including:

- Savings goals and jar balances
- Expense records and transaction history
- Debt tracking and repayment progress
- Budget plans and daily saving targets
- Notes and images attached to transactions
- Any other financial information you enter

remains stored locally on your device only. We have no access to this information at any time.

Data Storage

All data you enter into the App is stored exclusively on your device using local storage. We do not use cloud storage, external servers, remote databases, or any form of online backup to store your information. Your financial data never leaves your device.

No Account Required

Jarify does not require account creation, registration, login, or any form of sign-up. You can use the App immediately after installation without providing any personal information such as your name, email address, phone number, or payment details.

Third-Party Services

The App does not integrate with any third-party analytics services, advertising networks, tracking tools, or data collection platforms. We do not share, sell, or transfer any user data to any third party because we simply do not have access to any user data.

Permissions

The App only requests permissions that are essential for its core functionality:

Camera permission is used solely to allow you to attach photos of receipts, bills, and documents to your transactions.

Storage permission is used solely to save and retrieve your locally stored data and attached images.

No permission is used for data collection, tracking, or advertising purposes.

Data Security

Since all your data remains on your device, you maintain complete control over your information. We recommend:

Using device-level security features such as lock screen, PIN, fingerprint, or face unlock.

Regularly backing up your device to prevent data loss.

Keeping your device software and the App updated to the latest version.

Offline Functionality

Jarify works completely offline. No internet connection is required to use any feature of the App. This ensures your financial data is never exposed to online threats or transmitted over any network.

Free Trial and Subscription Terms

The App may offer a free trial period for premium features.

When the free trial ends, access to premium features will require a paid subscription.

No refunds will be provided for subscription fees once charged.

By subscribing, you acknowledge and agree to our no-refund policy.

You may cancel your subscription at any time to prevent future charges, but no partial or full refunds will be issued for the current billing period.

Subscription billing is handled entirely by your app store provider (Google Play Store or Apple App Store) and is subject to their terms and policies.

Children's Privacy

We do not knowingly collect any information from children under the age of 13. Since we do not collect any data from any user, the App is safe for users of all ages.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the App and will take effect immediately upon posting. Your continued use of the App after changes constitutes acceptance of the updated policy.

Your Rights

Since we do not collect or store any of your personal data on our servers, there is no data for us to access, modify, or delete. You maintain complete control over your information through your device. You can delete all App data at any time by clearing the App data from your device settings or by uninstalling the App.

Governing Law

This Privacy Policy shall be governed by and construed in accordance with the laws of USA, Pakistan, without regard to its conflict of law provisions.
