

**How dear to God
are little children**

With him their

**spirit
life began
so priceless their
security**

**Their innocence
and purity
They are a part of**

**His eternal plan
To earthly parents**

God sends children
To guide and teach,

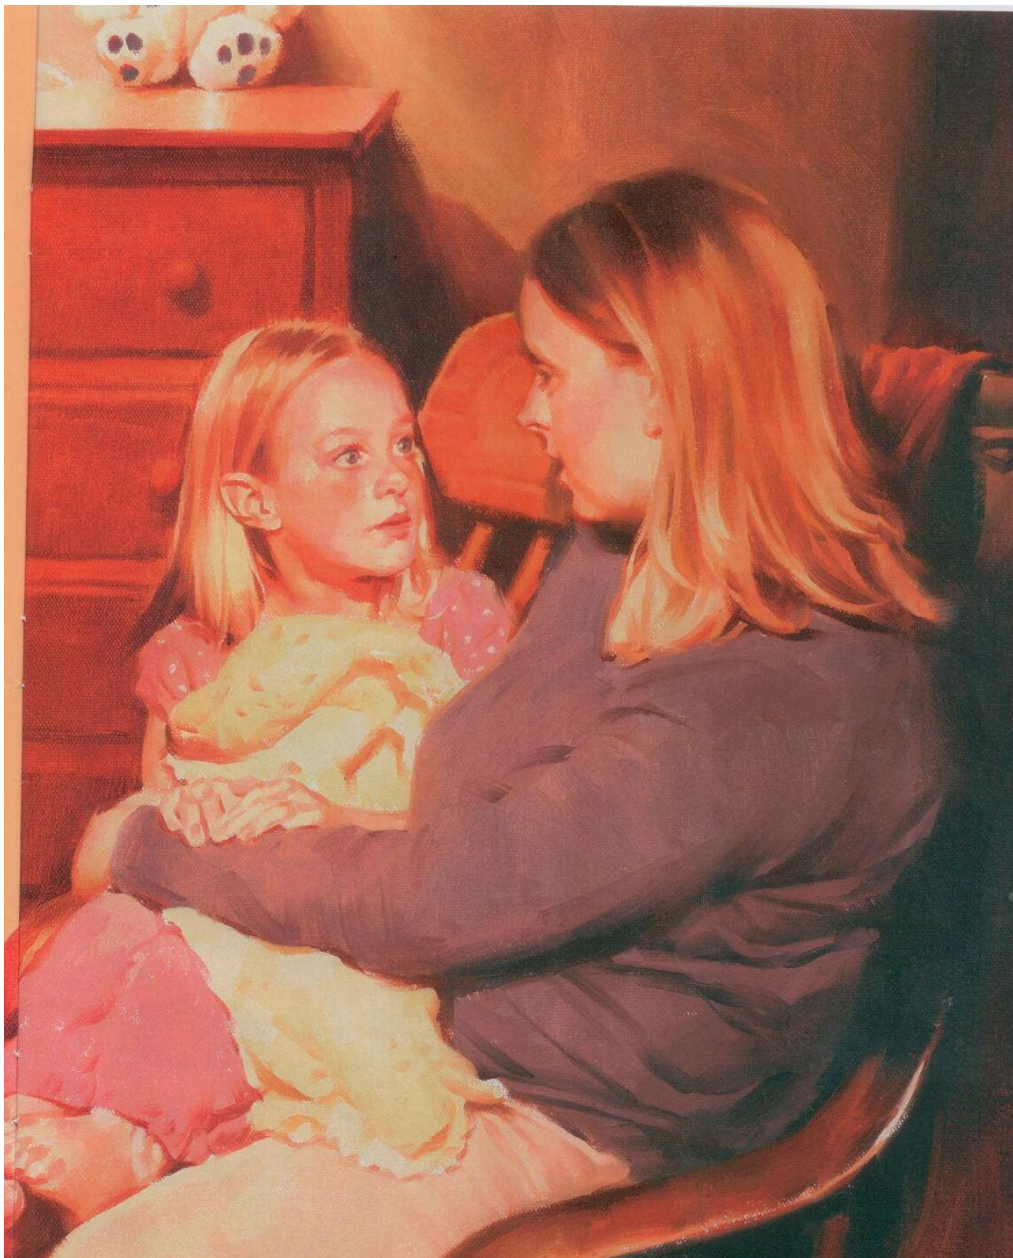

Protect and love

Oh, let us keep the sacred trust

**That he has placed
with each of us
And help to guide
them**

**Back to God above
How dear to God**

Are little children
