

LUZERNE INTERMEDIATE UNIT

Special Education Teacher Certification Program

An Alternative Pathway to a Career in Education

The Intermediate Unit 1 (IU1), in partnership with Luzerne Intermediate Unit, proudly announces an alternative career pathway in education through the Special Education Teacher Certification Program. This PDE approved program allows person who holds a bachelor's degree in any field to obtain their special education teaching certification at an accelerated pace. The program takes into consideration previous work experience and education. Participants can graduate in under two years.

This program is offered at a reduced cost making the program accessible to those who have the passion for becoming a special education teacher. The cost is \$175 per credit!

Courses will take place online during the evenings allowing for flexibility for today's working professionals. A field experience placement is required to be completed for this certification.

IU1 would like to invite interested participants to a virtual open house on **Wednesday, May 4, 2022 from 4:00pm -5:00pm** to learn more about the program and application process. Please use the Zoom link below:
