YOUTH PLANS

Large print might be the most powerful yet most underutilized tool on your shelf. Sure, it's a bigger, easier-to-read font size—but it doesn't stop there. space, as it has been shown to improve key reading skills, including decoding, fluency, tracking, and reading comprehension. Our youth titles feature the same cover art and illustrations as the original edition, and the words "Large Print" do not appear on the outside.

Middle Reader | 28 titles | \$483

Think You Know Large Print?

THINK AGAIN

There is a perception that large print books are bulky and weigh more. That's not the case with our books. They're **comparable in size and weight** to the

experience.

We will never compromise on quality. Your satisfaction is far too important. Our hardcover books are library bound and feature a **100% guarantee on the binding.**
