MARCH 2023: SCI-FI, STUDENT CONFERENCES, and a LOT OF Drama!

Classroom News

The 60 Second Sweep

By: Graham

There are answers and we need to say the factors as fast as you can. My best time was 35 seconds.

Sci-Fi Science Fair

By: Adrianna

Everyone did very interesting projects. My favorite part was doing the results and the conclusion. The most challenging part was the storyline and drawing the character.

"We Loathe Our Customers"

By: Abigail

I like being a character that is rich and sassy like Chris Jenner. The play has really come together and we have all improved so much. I can't wait for the performance.
