Dear _____(name of family/friend)_____:

This summer I am going on a Mission Trip with 6:8 (a not-for-profit organization whose leaders are taking us on their 22nd trip!). We have 35 youth and adults going to Joplin, MO to spend the week working on construction projects and MORE.

I am very excited to be helping others in need and feel that this will be an experience of a lifetime. However, we cannot do this alone…we need help from family and friends like you.

As we look towards our trip we not only want to serve these people, but raise enough money to **pay for the projects we will work on**. It's a tremendous goal, $25,000 to pay for various projects at Watered Gardens in Joplin, MO! We are selling shares as our main fundraiser. The shares are $25.00 each and you can purchase as many as you'd like. In return you will receive a tax credit statement from 6:8 in January and you will also be invited to a Mission Trip Benefit Reception on Thursday, June 25th (6:30pm) at 6:8 in Sauk Prairie. At the reception we will share with you our experience on the trip through our stories and a video slideshow that will give you an account of what our trip was like and how it enriched our lives. More importantly, you will be helping us provide for families and individuals who are working hard to make their way out of poverty.
