7. Athlete of the Month

Female-Kiana Haywood: Senior:: Varsity Girls' Basketball---Kiana is so incredibly positive and coachable. Over break, she was selected by her teammates as a third team captain, which exemplifies how she is perceived by her teammates. In addition, Kiana has had a major impact on the basketball court as a starter and leader on the team. In January, Kiana is averaging 7 points, 6 rebounds, 1 assist, and 1 steal per game. She had 10 points and 8 rebounds in a win over previously undefeated and top area ranked West Ottawa. Kiana has also shown resiliency in her ability to overcome two ACL reconstruction surgeries throughout her high school career, and her ability to battle through tough times and persevere is nothing short of inspiring. Thank you for considering Kiana for January's athlete of the month.

Male-Tyler Dean: Senior:: Varsity Boys' Ski---Tyler's season has gotten off to a great start. He has lead our team in every event at the two Invitationals we have attended up to this point and has Medaled in 3 out of the four events. Tyler is a three year starter and was All Conference last season. Tyler's skiing lead our team to a 3rd place finish at the Cadillac Invitation (we beat the #8 team in the state at this meet and were close to the #7 team in the state in the final standings for the race). He also lead us at the Benzie Invitational at Crystal Mountain, our team finished 5th in a tough field of teams that included two ranked teams. Cadillac Invitational 6th Slalom and 10th GS Benzie Invitational 7th Slalom and tied for 16th GS. Tyler is one of our captains and is an exceptional leader.
