The **registration process** for high school is important, as it determines your schedule and the master schedule. On February 10 students watched a registration video in their 9th grade computer application class, English 10, or English 11 classes. Students also received a registration course selection sheet from their teacher. Complete the course selection sheet and confirm with your parents your chosen courses. If you were absent on February 10 communicate with your assigned teacher to receive registration materials.

- 9th grade students turn in your completed worksheet to your Computer Application teacher **no later than February 23.**
- 10th grade students turn in your completed worksheet to your English 10 teacher **no later than February 23.**
- 11th grade students turn in your completed worksheet to your English 11 teacher **no later than February 23.**

During the week of February 23 Stevens school counselors will be back in your classrooms to assist you with entering courses into Skyward.

A representative from **Laramie County Community College** and **Chadron State College** will be in the Link during the lunch periods today. A representative from **University of Wyoming** will be in the Link during 5th lunch on Thursday.

Juniors – ACT testing is on March 4. If you know you are going to be absent, you must contact Mrs. Thompson immediately to schedule a time to take the test prior to March 4.

The **Red Cross Club** is hosting a used clothing drive continuing through Friday, February 20th. All clothing items are welcome. Drop-off locations include the library, the office, and Mr. Beyer's room S264. This Valentine's season, show love for your community by donating clothes.

You are now invited to remove your hat and stand for the Pledge of Allegiance
