

PRIVACY POLICY

App Name: Mastermind

Last Updated: May 13, 2026

Welcome to Mastermind. We are committed to protecting our users' privacy, especially as our application is designed for a broad audience including children, with the aim of memory and reflex training.

1. Information Collection and Use

We do not collect, store, or share any personally identifiable information (PII) such as names, addresses, phone numbers, or personal email addresses from users while they are using Mastermind.

2. App Permissions

To optimize the user experience, the app requests the following permissions:

Push Notifications: We only use this permission to remind you to participate in daily memory training or to notify you of new features within the game. You may disable this permission in your device settings at any time.

3. Advertising and Third-Party Partners (AdMob)

The app displays advertisements through Google AdMob to maintain our free service. Google AdMob may use anonymous advertising identifiers to serve relevant ads. We are committed to complying with Google's regulations regarding ad display for children, ensuring content is age-appropriate and that sensitive data is not collected for personalized advertising purposes.

4. Children's Privacy (COPPA & GDPR-K Compliance)

Mastermind is designed to be safe for children. We help children train their memory and reflexes through healthy puzzle gameplay. We do not require children to enter any personal information to play the game. Advertisements displayed during a child's session are set to non-personalized mode.

5. Data Security

While we do not collect personal information, we implement necessary technical measures to ensure the integrity of the application and prevent unauthorized access to our systems.

6. Changes to This Policy

We may update this privacy policy from time to time. Any changes will be published on this page to ensure transparency.
