

ROXANNE'S DRIED FLOWERS

“My favorite part? It’s that the preserved bouquet I have from my wedding is still as beautiful today, six months later, as it was the day I got married. It’s a great keepsake, and a decoration that every time I look at it I remember one of the best days of my life.”

“I chose Roxanne’s for my wedding bouquets because I loved the idea of having the flowers remain as beautiful as they were on my wedding day. Six months after my wedding, my bouquet is just as beautiful. The consultation process was very easy and they worked with me to make my vision a reality.”

“Working with Roxanne’s Dried Flowers for our wedding was possibly the simplest decision we made during the whole process of planning our wedding. The best part of choosing Roxanne’s was knowing we have everlasting keepsakes from our favorite day. We gifted many of the centerpieces to close family and friends, and we have different arrangements all throughout our home. We recommend Roxanne’s time and time again!”

“When deciding on the flowers to use for my wedding I wanted to add a unique twist, which is what brought me to Roxanne’s. Since our wedding, I have gotten so many compliments on the flowers from Roxanne’s and I was able to showcase my bouquet and some of the flowers from our tables in our home because they are preserved! I was so happy with how beautiful my flowers were!”
