

Idaho State DKG Editor's Report 2022-2023

I took over the editor position November 10, 2022.

Since then, I put together and published editions of the Alpha Nu newsletter in November, a special Christmas edition in December, January, April, and June. This is a total of five newsletters.

I have appreciated the positive feedback I have received on my work and am glad I was able to be able to help out with the Alpha Nus this year.

Respectfully submitted,

Janelle Stear
