***"Educational data" means data on individuals that relates to a student and is maintained by a public educational agency or institution or by a person acting for or contracting with the agency or institution which relates to a student, including but not limited to a technology provider.

***"Technology provider" means a person who:

- (1) contracts with a public educational agency or institution, as part of a one-to-one program or otherwise, to provide technological devices for student use or to provide access to a software or online application; and
- (2) creates, receives, or maintains educational data pursuant or incidental to a contract with a public educational agency or institution
