M&E Session 1 Analysis	3.8500 with the verbal interpretation of Outstanding
M&E Session 2 Analysis	3.8764 with the verbal interpretation of Outstanding
M&E Overall Analysis	3.9545 with the verbal interpretation of Outstanding
General Comments and Issues Encountered	Resource person must ready an activity as application of the principles learned.
Recommendation	The place for LAC session should be well-ventilated
Highlight of the Activity	The significance of observing and practicing work ethics in our profession. Also, teachers learned about different philosophy in education. And the different types of teaching methodology that is essential in delivering the lesson to the students - to have growth in the field of teaching through seminars, and to have a positive outlook in teaching and towards your co-workers, be professional in dealing with conflicts co-workers, students, and parents.
Learning Insights	Teachers must always practice personal and professional ethics all throughout the teaching process. Also, in application of doing tasks and activities include with the topic discussed. And it will help them grow professionally and develop a positive way of dealing with conflicts. Lastly, love and embrace the profession.
