### **Commitment**

The showbread is more than just cakes that were placed upon a table every Sabbath. It teaches us of experiences that we must have if we are desirous of being saved. We must truly live the life of Christ through mediation upon His life and reading of His Word. In order for us to grow spiritually it is essential that we spend time eating the showbread that the Lord places upon His table for us. Will you choose to spend time meditating on the life of Christ and studying His Word each and every day that you might grow in your spiritual life?
