Chaim Alexander - Speed Healing - Accelerate Your Healing 10X At All Levels

Hi there,

Allow me to introduce myself…

My name Is Chaim Alexander.

If you're currently suffering from debilitating symptoms, and feeling frustrated, depressed and drained all the time…

I invite you to read all the way till the end.

You see… I too have suffered from Debilitating Symptoms and Pain for several years.

There were many times during that painful time period that the symptoms were so bad that I couldn't even get out of bed.

And just like you're probably feeling right now…

I was frustrated, depressed and even pissed off, and for very good reasons.

You see… During that time, I had extensive training in Holistic Health and Wellness from top Schools and by top Holistic Teachers and I could not even heal myself.

Also, what frustrated me the most was…

I spent over $250k working with Top Medical and Holistic/Spiritual/Energy Professionals and experienced little to no results.

So you can see now why I was so frustrated, depressed and pissed off during that time.

Wouldn't you be?

So one of the first things I slowly did at that time, was… (Which was very difficult for me because I was very stubborn…)

I began to unlearn what I have learned from my past training in Holistic Health and Wellness.

I needed to let go of most of the things I learned about health and wellness at that time.

Because holding on to them and implementing them were only making me feel worse.

Once I did that, I was open to meet Holistic Professionals with different points of view and hear about other approaches to Health and Wellness, which were very different from the Holistic Training I've done in the past.

And that is when I started feeling better, because I was experiencing results from the new things I was doing to improve my health and wellbeing
To make a long story short…

I can tell you that currently, I'm feeling great and full of energy.

I would like you to take a moment right now and Imagine…

How would your life be…

- Without pain or debilitating symptoms
- What would you be doing right now if you had…
- A life full of Vibrant Energy
- A life where you can DREAM Again

What would that mean to you?

If you had the opportunity to participate in a program that would assist you in resolving your debilitating symptoms, so you can live a life full of Joy and Happiness…

Would you take advantage of that opportunity right now?

I've put together some Special Packages for the Member of From Heartache to Joy that will assist you in resolving your pain and or debilitating symptoms and experience a life full of Superior Health and Wellbeing.

Now before I share with you the different Packages, I want to make sure that my programs are the right fit for you.

Expert **Reviews**

“In minutes my headache went away and eyes stopped hurting & my digestion felt better”

“Wow! I was very impressed with Chaim’s knowledge and his razor sharp intuition as he tuned into the areas I asked him to work on.

I’ve been feeling insecure and he tuned into karmic reasons for my issues. **He worked on my throat, nervous system and way more** and in just minutes my digestion felt better, my headache went away and eyes stopped hurting.
He also gave me a great tip to strengthening the foundation of my body so I feel better forever!

Chaim, you are a wonderful Energy Practitioner and your kind voice and reassuring nature is a welcome added bonus!”

~ Amy Vasterling, Intuitive Pathfinder -FHTJ Healer

“I immediately felt a shift, leaving me with a sense of knowing all is well”

“I came to Chaim wanting help moving through my fears of being seen. For me it had always been more comfortable being behind the scenes.

Chaim quickly tuned into where these fears were and corrected the root cause!

I immediately felt a shift, leaving me with a sense of knowing all is well.

It is now a week later and I can honestly say that I am now “excited”, rather than fearful for this new venture I am about to undertake, which will not allow me to be behind the scenes!!! For this I am forever grateful

Chaim then moved on to clearing many other areas of my life, which included my children.

I highly recommend Chaim, and I thank you from the bottom of my heart!”

~ Donna McRae, Intuitive Guide…Ancestral Clearing and Forgiveness

“The clearing I experienced left me feeling….free and open and ready to move forward with my life!”

“Feeling VIBRANT! Wow….

I had a comprehensive Energy session with Chaim Alexander!

Chaim works with ease and follows the energy and gets right to the heart of the issue. Without knowing what was happening with my body on a physical level…he immediately connected that my fear and uncertainty was connected to my spine.

I am recovering from a spinal injury and while Chaim was not aware of that. His elegant and precise energy technique allowed a massive shift…physically, energetically and emotionally.

Chaim took the time to go through all of my systems that were calling for support and deleted many blocks.

The clearing I experienced left me feeling….free and open and ready to move forward with my life!

Chaim's compassion shined through the entire process and the guidance he shared expanded my view on healing!!

Chaim is a truly brilliant and gifted Energy Practitioner. With Chaim's support and healing you will THRIVE TO INFINITY! "

Thanks Chaim,

"Procrastination Gone"

"I want to thank you for the "21 Day Wealth & Prosperity Energetic Empowerments" program, I was on your calls, I received more energy and I started taking action in projects that I was procrastinating. I wonder what else is going to show up now?

Thank you!"

~ Rocio Salgado, Energy Practitioner and Teacher, USA

"Long Term Phobia Resolved"

"I was driving home on my motorbike last night and a frog was in the road and it hopped towards me as I drove past – normally this would freak me out, although I flinched and moved my foot a bit, I didn't scream or freak out at all!!

I don't really understand what you did but the frog was more of a nuisance than something to be scared of!

Thank you x"

~ Samantha George, International Holistic Lifestyle Coach, UK

"Blockages Removed"

“Before working with Chaim I was struggling with my exercises routine. Going through financial and emotional challenges for the last few years, my physical routine was getting smaller and smaller, or even non-existent, fear was taking too much space in my head I was on a survival mode.

As a trainer, I coach and teach people that moving is really important and something you should not escape, even if this is at a low intensity.

Now, being in a fear reaction for financial reasons, I thought I would be more efficient by studying and learning more tools to have more clients. Then I have learned about the Yuen Mastery and the services of Chaim. Knowing and trusting the skills of Chaim in Holistic training, I wanted to have a try of the Yuen Mastery and I was really surprised.

I asked Chaim to help me with the basics:

I need to move, help me to go back to a physical routine. This is especially important for me that as a child, **I was more often in a “freeze” state than in action.** And Chaim really impressed me with this technique: after a few min he was giving me info and directions to understand what I was going through and what was blocking.

After the session, he gave me exercises that really blew me away. I sat down and observe what I was feeling: better. Then I asked to my inner self what the next step was. The answer was quick and surprising at first: “Take a week off, practice Tai-Chi, meditation and fasting for a week”. **I told my wife, not taking it seriously and she said “If you do it, I will support you” Waouw …** as a freelance, on a survival state for the last 5 years, it was a big choice to make and I have done it. I cancelled all my clients of the week, with this strange node in my stomach. The week was great (even if I did not fast, feeling too tired for that) and I really felt better, no internet, no work, etc. but a lot of energy.
Now, I feel like something is different. **I have fewer blockages for starting my routine** and I want to go further with this method.

Thanks again to Chaim”
