Faith: Day 2

Passage: John 3:18-21, Numbers 21:4-9

Opening / Context

What is Faith? Faith simply means believing that something is true, and then committing our lives to it. Biblically, “faith” means believing in God, and in what Christ has done for us to make our salvation possible; then committing ourselves to Him. Believe that you may know.

Faith = Belief + Commitment

Outline

- Trust
- Proving God’s Existence
- Being a Light

Key Verses

“Whoever believes in him is not condemned, but whoever does not believe is condemned already, because he has not believed in the name of the only Son of God. And this is the judgement: the light has come into the world, and people loved the darkness rather than the light because their works were evil. For everyone who does wicked things hates the light and does not come to the light, lest his works should be exposed. But whoever does what is true comes to the light, so that it may be clearly seen that his works have been carried out in God.” - John 3:18-21

Discussion Notes

- Trust and what it means to put trust in someone.

- How can we prove God exists? Is it easy? Is it easy to prove God doesn’t exist?

- How can we be a light in the darkness of the world through our daily walk?
