Digital Portfolio Considerations Guide

## 10 Good Options for Creating Student Portfolios

Click: Free Tech for Teachers

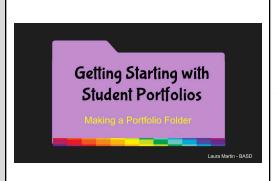

The Choices: (click on each below)

<u>SeeSaw</u> <u>BookCreator</u> <u>Th</u>

<u>The 'New' Google Sites</u> (Teacher cast YouTube)

<u>Schoology Student Portfolio - Schoology Support Article</u>

<u>Padlet Portfolio Blog Post</u> - <u>Padlet App</u>

## **Helping Students Get Started with Portfolios**

In this slide presentation, students are guided through the process of creating a portfolio folder in their Google Drive using a Chromebook. (Teacher supported presentation)

Additional student skills:

- Taking a screenshot with a Chromebook
- Saving the screenshot to your Drive, and filing in your Portfolio Folder
- Creating a Google Doc and organizing it to your Portfolio Folder
- Moving any Google Doc to your Portfolio Folder
