

CppCon Resources

Diversity & Inclusion

Education and collaboration are vital to the future of CppCon, and it is imperative to us that everyone in the community who wants to participate feels welcome to do so regardless of gender identity, sexual orientation, disability status, race, ethnicity, age, religion, or economic status. This commitment is also reflected in our use of the industry standard of double-blind reviews for speaker submissions. Our Code of Conduct outlines our expectations for all those who participate in our community, as well as the consequences for unacceptable behavior. See full code of conduct at <https://cppcon.org/codeofconduct>.

Resources

Nursing Room

We will provide a nursing room at this year's event to aid in the comfort and accessibility for our nursing attendees. The room will be available all days of the event and will be located on-site. For location information, please check with registration or information desk staff on-site.

Child Care

Complimentary childcare is available during event days for those who pre-registered. Due to staffing and licensing restrictions, we will not be able to accommodate on-site sign-ups. See <https://cppcon.org/child-care> for further details.

Venue Accessibility

If you need any assistance locating an elevator, or have other questions about accessibility on-site, please speak to a member of the CppCon event staff at any of the registration or information desks on-site. See <https://cppcon.org/accessibility> for further details.

All Gender Restrooms

We have designated specific restrooms as all-gender restrooms for attendees who feel more comfortable using those facilities.

First Aid/Medical Assistance

If you require first aid or medical assistance, please visit our registration desk or the venue front desk. For emergencies, please dial 911.

Zero Tolerance for Harassment

If you are being harassed, notice that someone else is being harassed, or have any other concerns, please contact a member of the event staff immediately. Event staff can be identified by aqua blue shirts on-site and can be found at the event registration counter at any time. Our staff can direct you to our on-site Code of Conduct Ombudsperson's private office or assist contacting them for you.

Conference staff can help contact hotel/venue security or local law enforcement, provide escorts, or otherwise assist those experiencing harassment to feel safe for the duration of the conference.
