We will have two separate celebrations in PM:

1. An event in the LMC & outside with artists, parents, special guests, and the Steering Committee. Some choir students will perform.
2. A Gathering Grounds video and activity for remaining students and teachers to do in Advisory.
    a. Link to slides and video will be here that shares the process and has students telling the story behind their designs.
    b. Teams/Teachers can decide what activity they do with remaining time.
    c. The Steering Committee generated some Mosaic coloring activities using the student designs. Here are simple word search related Activities. Your team could get materials for a more engaging mosaic art activity as well.
    d. It is fine to show a movie or do different activity, but please do NOT take classes outside since we will be having the reveal.
