

# Session 3 - Next Steps for the US-RSE Association

US-RSE Virtual Workshop, April 23rd, 2020

## Goals

- Get to know each-other
- Generate ideas for the future of US-RSE, and for RSE at your own institution
- Become more engaged in the formation of US-RSE

## Agenda

- Introduction (10 minutes)
- **Breakout session 1:** (15 minutes)
  - What are some problems that US-RSE can help solve?
- Review chat from breakout (5 minute)
- **Breakout session 2:** (15 minutes)
  - What activities should US-RSE encourage or participate in?
- Review chat from breakout (5 minute)
- BREAK (10 min)
- **Breakout session 3:** (30 minutes)
  - Chapter formation support group

# Breakout 1

Duration: 15 minutes

## Introductions:

- In alphabetical order, go around the room and introduce yourself.
  - Name, Institution
  - Quick 1-2 minutes about your job / role or a fun fact about yourself.
  - What is motivating you to attend this meeting?

## Discussion Topic:

- What are some problems that US-RSE can help solve?

## Extra Questions:

- What does software engineering look like in your organization?
  - Is there an RSE chapter / presence in your organization?
  - Share some issues (or accomplishments) for RSEs in your organization

# Breakout 2

Duration: 15 Minutes

## Introductions:

- In alphabetical order, go around the room and introduce yourself.
  - Name, Institution
  - Quick 1-2 minutes about your job / role or a fun fact about yourself.
  - What is 1 problem that you believe US-RSE can help solve?

## Discussion Topic:

- What activities should US-RSE encourage or participate in?

## Extra Questions:

- How could US-RSE get started in an activity?
- What would participation in this activity look like?

# Breakout 3

Duration: 30 Minutes

## Goals:

- Q/A Session related to starting an RSE group.

## Discussion Topics:

- What does RSE look like at your organization?
- What would you like it to be?
- How can we get there?
