Academic honesty is very important at ISB. As IB learners, it is expected that you will be principled, acting with honesty and integrity in all of your work inside and outside of school.

Please read and sign the contract below.

1. I will do my own work. I will not copy anyone else's work or ask my parents or siblings for help when I am supposed to complete an assignment on my own.
2. I will not let anyone copy off of my work.
3. I will not talk, share answers, copy answers, or use an electronic device for help during tests. When taking a test, I will only use notes, texts, and other information when I have the teacher's permission.

5. I will not turn in an assignment for more than one class.
6. I will not plagiarize. If the work belongs to someone else or was created by artificial intelligence (AI), I will be sure to quote the work and use the correct citations.
7. I will do my best to be honest and truthful and to help others be honest and truthful.
8. I will ask for help when I am not sure about how to cite a source or anything else regarding academic integrity.
