

Google is part of the NSA's [PRISM](#) program. Your participating in this document is going to be in full knowledge of the US government, their intelligence infrastructure which has sharing agreements with CSIS, and with it, the Canadian federal government. Since C-51 it is

- Legal for the Canadian government to share this information between departments so as to create a blacklist for future employment of troublemakers who participate in actions like this.
- Not legal for you to protest in public spaces in certain conditions.

Participate in this project, on this document, at your own risk.

This document is public and editable. Please add your events!

Drop Everything and Read –wvlp A day of action for Libraries

A “Read In” will be taking place at MLA offices across the province on Friday, April 7. All residents of Saskatchewan who value their public library are encouraged to gather outside their MLA’s office and read a book. There are over 70 events happening across the province. Unless otherwise noted all events are happening from 12:00p.m. to 12:30 p.m.

Here is a link to a fun google map with all of the [events](#):

https://www.google.com/maps/d/viewer?mid=1md3VzhfF_q45ioaiFyUEj3o_Av0&ll=52.219426566775944%2C-105.71372780000002&z=6

If your community is missing, please organize an event in your community or take a photo of your own of your own solo reading adventure. Please post photos on social media using #DearSK and @SaveSKlibraries.
