What Is AI Commissions 2024?

In 2023...

I've made well over \$500,000 with AI.

But many of the tools I used to get there have been lost to the eons...

That's a shame because, as well as being DOTD + Warrior #1s, these underrated top-sellers made me over \$500k in 2023!

To buy them separately today would cost over \$250, but to celebrate the start of 2024, we're including them ALL in a new bundle, called "**AI Commissions 2024**", **which includes TEN AI software tools in one - at a staggering 96% discount!**

> THIS 10-IN-1 AI MEGA-SUITE automates everything you need to make money, get traffic, generate commissions, create graphics, build websites, make videos and so much more, and includes...

> ULTIMATE AI A 50-in-1 AI tool suite that connects to GPT to create 50x moneymaking assets in one click! Create ecovers, logos, emails, articles, push notifications and so much more

> **2 Click AI** 5 software tools in one package, with all my best prompts for Chat-GPT, MidJourney, Runway, Leonardo and more - just a click away! AI Commissions - 2-in-1 software suite to generate commissions. Simply select one of the proven affiliate programs, and then launch SIX types of affiliate campaign in one click!

> **Diffusionator Graphics AI** Create 10x types of graphics using Stable Diffusion XL, one of my the most powerful image AIs going out. This cloud-based app creates stunning, photorealistic pictures and graphics using my 10 preloaded prompts!

> **Vid GPT** Create instant videos, with voice-overs slides and more, right from your browser, then use these videos for affiliate reviews, YouTube traffic, VSLs, whatever you like!

> **Passive GPT** Give Chat-GPT ears! This cloud-based app makes GPT "multi-modal" by letting GPT import audio files (or any YouTube video)!

> **Image Whisperer 2.0 with Chrome Plugin** Create 10x types of graphics using DalleE 2.0. PLUS also includes my plugin which lets you pull tags from any stock website, letting you replicate any image you find online!!

> **Free GPT** Get free traffic from Google! The first AI lets you find the most profitable keywords, then the second AI generates perfect articles targeting those keywords - by looking at the Google SERPs! Pro-level unique content for zero-competition buyer keywords is just a click away!...

> **Infinite AI** Create your own AI powered software tools, using GPT, and powered by Chat-GPT! This is perhaps my most powerful software tool as it actually creates OTHER software tools!

> **eCover Genius + Logo Genius!** Create instant ecovers and logos in 1 click using my secret "Image loophole"

> **PLUS NEW AI TOOLS + TRAINING FOR JANUARY 2024!** Of course, we've spent the Holiday period profiting with EVEN NEWER AIs, which we will be sharing as one-time bonuses for this launch! These would be the main event for most other launches.

The value here is insane, and you're getting a swiss army knife of AI moneymaking in your hand. BUT, this offer will only last so long, and is just here for a few days of January 2024....

FRONT-END PRICE INCREASES - PRICE INCREASES EVERY HOUR

We have learned that scarcity results in AWESOME conversions for affiliates.

So we are increasing the price EVERY HOUR...

THE PRICE WILL INCREASE BY \$0.10 EVERY HOUR, SO CONVERSIONS WILL BE VERY STRONG, ESPECIALLY EARLY ON!

⇒ OUR NEW FUNNEL

The frontend for AI Whisperer is smoking... But the upsell funnel is nuts too!

Frontend - AI Commissions 2024 - \$15-23 (hourly dimesale!)

The 10x software tools at a 96% discount. See above for the full breakdown!

Upsell1 - AI COMMISSIONS 24 AI Pro/Unlimited Edition - \$47

ALL the above software tools.. But with all their PRO modules included to unlock the maximum features. Save over \$400 on the original prices.

Upsell2 - Best of 23 AI Upsell Collection - \$97

A collection of all my best upsells for 2023, including some INSANE gems. This brings them all back in another crazy bundle, and at a \$1,000 saving!

Upsell3 - DFY Website - \$97

The frontend includes our DFY website (wp theme), but here we're going one better and actually setting this up for our users! With domain, hosting, content and monetization ALL DFY

Upsell4 - ELITE AI Video Suite - \$97

Everyone's talking about how AI lets you create "faceless" YouTube channels. Nice baby move. You reached level 3. But.. did you know you can create entire VIDEO COURSES too? That is.. If you get my Video AI suite, including multiple software tools, a new AI Chrome extension and an entire video course hosting platform with resell rights (so you can cancel your Kajabi subscription.. Then turn around and let your

customers do the same too!) Oh.. and it's all done with AI. Hopefully you're learning..
Once more, my upsell #3 are better than 99% of marketers front-ends.

...

Upsell4, 5 and 6 - TBC - \$97

We're keeping the remainder of the upsell under wraps, but trust us, they're all \$97s
and convert like crazy!
