Lodging:

The Prayer House (max capacity 6 guests)

Our on-site guest house for the Prayer Program

Guest lodging for the Prayer Program is in a large single family home about 1 mile past the JH Ranch entrance on French Creek Road. The “Prayer House” has 4 bedrooms, 3 baths and is complete with fresh bedding and towels, a full kitchen, dining area and living room. The house also features wifi, so that the prayer team can communicate - so you should also be able to keep in touch with your family during your week at the Ranch. *The upstairs is for the Prayer Team guests only but the house has multiple guest entrances and will be a shared space like many of our other guest houses.*

Offsite lodging in Etna (max 4 guests)

An additional 4 guests may participate in the Prayer Program by staying in Etna and driving up (approx. 15 min) each morning. [HERE](#) is a link to some of the available places in Etna to stay.

Arrival and Departure: Your arrival day would be between 6-8pm on the first day of your program. Departure day and time is after breakfast on the last day of your program.

For example: if your Program dates are June 6th - 13th, you would arrive on the property between 6-8pm on June 6th, and depart after breakfast on June 13th. Unfortunately, our guest houses are always occupied, so ***we are not able to accommodate early arrivals or late departures.*** Thank you for your understanding!

Transportation: We do not provide transportation to and from the airport.

As with most of the other programs at the Ranch, our adult guests are responsible for their own transportation to and from the Ranch, as well as transportation getting around on the Ranch property. It may be possible to carpool from the airport with your other team members. We will put you in touch with your teammates beforehand so that you can arrange transportation if that is needed.

A FEW FAQ'S

- **Are there any age limits?**

Yes, You must be at least 25 to attend the Prayer Program. The age of our Crew is usually between 18-22. Much of our time is spent praying for our crew members so we want our Intercessors to be at least a few years older than the students they are praying for.

- **I'm interested! Can I book travel today?**

No, You must be accepted into the program *before* you begin booking your travel. There is an application and registration process for this special program. Please do not book your travel until you have received a confirmation from our Director of Intercession that you are registered.

- **My child is on the summer crew this year. Can he/she have a special off day to spend time with me?**

Unfortunately, no. Our summer crew off day is also the departure day for each of our guest programs. They do not have rotating days off. If you would like to arrange to have a meal with your crew member during your program week you are welcome to arrange that. Otherwise, you may also choose to stay an extra day so

that you can spend some time with your child on their off day. Please let us know during your interview if you have any questions about this.

- **Can I come for 3 days of the program instead of the whole thing?**

No, Please plan to attend the entire program. The Prayer and Intercession Program is known as one of our transformative programs at JH Ranch. Not only does the Intercession team have a strategic and weighty purpose, but you will not want to miss the opportunities you will have for deeper encounters with God, healing and freedom that happen EVERY DAY in this program. If you are unable to attend the entire program we encourage you to please come when you CAN come for the whole time!
