

## 6th & 7th Grade STEM Inventory

Supplies are packed together and will need to be divided up by grade level ([6th Grade](#) & [7th Grade](#))  
Anything marked with \* is delivered but outside STEM box or needs to be split to 8/9. (NIB = not in box)

### Inventory Steps:

- Start of Summer: Cross-reference the material list for each grade level and divide the contents
- Week 0: Distribute Week 1–3 STEM materials to teachers by Thursday
- Week 3: Distribute Week 4–5 STEM materials to teachers by Thursday
- End of Summer: Inventory all items, making sure items that need to be cleaned are clean, then return all STEM boxes

Need materials? [Use this request form](#) by Thurs. Items will be delivered or will be asked to purchase.
