5678! All-Star Booster Club

Mandatory Volunteering/Fundraising

Our mission is to develop dedicated, resilient, and professional young dancers who move with purpose—on stage and in life—through teamwork, commitment, and a passion for dance.

The parent group coordinates annual fundraising events and activities to further benefit the dace team as a whole and to cover competition-related expenses and may also provide scholarships to dancers in need. All funding is sourced from fundraising and private contributions.

The group organizes parent and dancer volunteers to assist with the annual fundraising events and activities and manages costs and funds.

As part of the All Start Completion team, all Junior & Senior dancers/families MUST participate in fundraising activities that occur throughout the season. It is essential that every member does their part. Adequate notice regarding any fundraising opportunities will be provided.

For the 2026-2027 Dance Season each Junior & Senior dancer/family will be required to:

SECURE at least ONE (1) CORPORATE SPONSORSHIP and VOLUNTEER at least FOUR (4) HOURS

New Business:
