Professional position & Project affiliation:	

Nominee qualifications for this award:

This award is a tribute to Stuart Feldman, PhD, Professor Emeritus of the University of Georgia Colleges of Pharmacy and Public Health and Founding Dean and Professor of Touro College of Pharmacy, New York. Dr. Feldman's visionary leadership led to the creation of the APHA Pharmacy Special Interest Group and, later, the establishment of the Pharmacy Section. The award recognizes the outstanding achievements and service carried out by an APHA Pharmacy Section student member. This includes engagement within the Pharmacy Section and can be supported through other activities including policy and advocacy, public health practice, public health research and scholarship, collaborative partnerships, asset-based community development, or streamlined public health service. This award is presented annually.

Applications will be evaluated based upon the following criteria:

- APHA-related activities
- Impact on the profession
- Community/volunteer/educational services
- Participation in other professional activities

Please include the following with this form:

- The nominee's current curriculum vitae or detailed resume
- One (1) to three (3) letter(s) of support for the nominee

- One (1) supporting document or product* that complements the nomination, describing the student commitment, contribution, and impact (poster, video, abstract, literature review, publication, PowerPoint presentation, etc.)

Note: An awardee may only receive the APHA Pharmacy Section Stuart Feldman Student Achievement Award once. Candidates who were nominated but did not receive the APHA Pharmacy Section Stuart Feldman Student Achievement Award in previous years are eligible to be re-nominated.

All nomination information should be submitted via email by July 15, 2023 to lindsey.weis@getoutcomes.com.

If you have any questions, contact the Awards Committee Chair, Lindsey Weis, at lindsey.weis@getoutcomes.com.
