

Google Sheets

Link to the Resource	This is part of G Suite, so it is part of the Apps menu
Description	This free tool is not as powerful as Excel, but it's getting closer all the time! In fact, it has some functions that Excel lacks. It is part of G Suite, so it seamlessly works with Docs, Slides, etc. Like all of the G Suites tool, collaboration is easy and transparent; in real time all collaborators can see what the others are contributing or modifying.
Primary Transferable Skill(s)	Communication Problem solving
Grade Level(s)	3-5 6-8 9-12
Tutorial(s)	Intro to Google Sheets https://www.youtube.com/watch?v=QTgvX5MLPC8
Sample Projects, Rubrics, Videos, etc.
