

<b>School Improvement Planning Policy</b>
---

SCES will:

- Follow the planning process recommended by KDE.
- Sustain analysis of instruction and programs to ensure they contribute adequately to help all students meet state standards.
- Systematically work to improve instruction and programs to meet state standards for all students within the timetable set by the Kentucky Board of Education.

New instructional programs will be researched by Curriculum/Instructional Practices Committee and approved by the council. There will be ongoing monitoring and evaluation of the implementation and impact of our instruction and programs.
