

NEKO-TOPIA RULES

NEKO-TOPIA RULES

Hello! I am Bada, also Neko.

Thank you for coming to my stream.
If you need some guidance on basic Twitch etiquette and rules,
Please take a moment to read these rules!!

MOST IMPORTANT

I want you to feel comfortable and have fun in my stream.
However, this does not mean you can be rude or disrespectful towards me.
Please think twice before you speak! Vibe check is important.

- 1. My stream is PG13.** This means I prefer keeping my stream wholesome. While we do have mature conversations at times, please keep it PG13.

제 방송은 순한맛 입니다. 그걸 주의하고 시청해 주세요.

- 2. Mentioning of age is not allowed.** Please do not talk about your age. It does not matter if you are above the age of 18, DO NOT MENTION YOUR AGE. Additionally, do not imply that you are underaged, even as a joke. You will be banned immediately.

나이 맨션은 금지 입니다. 성인이든 아니든 관계없이 금지입니다.

- 3. Do not ask about personal information.** I am a very private person. I would appreciate it if you don't try to pry and ask for my personal information. This includes but not excluded to: name, face reveal, location, age, work, etc.

제 개인 정보에 대해서 물어보지 말아주세요.

- 4. Do not talk about other streamers.** I understand you want to talk about your oshi (how dare it's not me, madge) but please don't! If you are not familiar with the etiquette of Twitch, it's quite common that

streamers do not like viewers talking about another streamer. It's my stream and focus should be on me!

저는 질투가 많아요. 방송에서 다른 스트리머를 언급하면 빼 집니다. 다른 스트리머 언급은 하지 말아주세요.

5. **Do not mention viewer count.** I don't like being told how many viewers are concurrently watching my stream. Please refrain from saying things like "You have ### viewers right now!" or similar things.

시청자수에 대해서 언급하지 말아주세요.

6. **Do not self promote.** It's hard as a streamer and I know that you want to share your success and help with growth. However, you should not be talking about your own stream while in someone else's stream.

개인 홍보, 타 스트리머 홍보, 금지입니다.

7. **I am not your mommy.** Please do not call me mommy.

엄마라고 부르지 말아주세요.

8. **English and Korean Only.** This rule is there so moderating chat is easier. And to prevent any harmful things to be said that me and my moderators cannot understand. Please stick to English and Korean unless I ask you a specific question.

제 채팅은 영어와 한글 만 사용이 가능합니다. 다른 언어의 사용은 채팅의 관리가 힘들어져서 금하고 있으니 깨끗한 채팅창을 위해 이해해 주세요.

9. **Personal DMs will not be answered.** I will not answer your personal DMs. This includes casual conversations, collaboration requests, and all others. Even if we did talk in DMs before, please refrain from talking about it in the stream.

개인적인 디엠은 삼가해주세요. 하고싶은 말이 있으면 채팅으로만. 만약 저의가 전에 디엠으로 얘기한 적이 있더라도 그거에 대한 멘션은 삼가해주세요.

10. Political, Religious, Controversial topics will be avoided. We are all entitled to our opinions. But my stream is a safe space for many. Let's keep it that way!

정치, 종교, 논란이 될만한 주제는 피해주세요. 제 방송은 다같이 즐겁게 볼수있는 공간이 기 때문에, 개인적인 의견은, 마음속으로만!

11. Overly sexual/suggestive comments are frowned upon. I am pretty open. I laugh at most dumb lewd/sex jokes. However, overly aggressive expressions can make others uncomfortable. Be Lewd, Not Rude.

과도한 색드림, 성적 코멘트는 안되요. 물론 제 방송은 매운맛 이고, 약간의 장난은 상관없지만; 너무 과도한 말들은 서로를 불편하게 해요.

12. Inappropriate names are INSTA-BAN. Names that indicate N word, C word, or degrading in any forms or way to specific targets of groups and minorities will be banned. No exceptions.

적합하지 않은 이름은 강퇴입니다. 다른 사람이 듣기에 기분이 나쁠수 있는 단어들이 들어간 이름은 밴 합니다.

13. Respect my MODs . Mods are people I trust to help me operate my stream. What that means is that MOD's words are as important as my own. Please respect their words and don't harass them. I will personally ban you if you disrespect them or bother them.

매니저들은 제 방송을 도와주시는 중요한 분들입니다. 그분들의 말을 존중해주세요.

14. Suicidal comments are prohibited. I am not your personal therapist nor a mom (my chat rule number 1). I am not suitable to give you proper advice or help. If you need help, call 800 - 273 - 8255

자살 관련 멘트는 허용하지 않습니다. 저는 그런 조언을 할수 있는 사람도 아닙니다. 필요하시면, 정신과 의사를 만나는 것을 추천드립니다.
