The replacement cost for a TI-84 graphing calculator is \$125. **In the event that the calculator is lost, stolen, or damaged beyond usability, you are responsible for paying the \$125 replacement cost.**

### Calculator Guidelines:

- Turn the calculator OFF when you are not using it. (To do this, press the blue "2nd" button and then the "ON" button.)
- Keep the sliding cover on (covering the buttons and screen) when you are not using your calculator to protect the screen from being damaged in your backpack.
- Write your name on the provided label and keep up with YOUR calculator. You will only get credit for turning in your calculator at the end of the year if you turn in the one that is actually checked out to you.
- See your librarian if you lose the sliding cover or the battery compartment cover.

I understand that I am responsible for the calculator that I am checking out from Diboll High School. I understand that I am responsible for paying the replacement cost of \$125 in the event that this calculator is lost, stolen, or damaged. Batteries for this calculator will be provided by the library.
