Welcome to my classroom! My name is Chad Michalkiewicz, and I will be teaching Leadership 1, 2 and 3, and also supporting our Volunteers elective students. In addition to my teaching duties at KHS, I am also the head football coach. For 11 years, I served as the head football

coach and teacher at De Pere High School. Prior to working in De Pere, I coached college football at Northwestern University and Winona State University. I graduated from Winona State University in 2009. I was born and raised in Green Bay, and am a big time Packer fan. My wife, Tracie, and I reside in Harrison, with our two daughters, Zoey and Ava. When I'm not on the football field, our family loves to boat and be on the water. We also enjoy live music, and trips up to Minocqua and Door County. We are super excited to continue to grow with the Kimberly community!

Please bring the following supplies for class:

- A device (that is not your cell phone)**
- Notebook/Writing Utensil (Preferably a composition notebook)**
