- 1. Call to Order**  
Around 9:05am, the meeting was called to order. Rooster, Susan, Matt and Stuart were present.
- 2. Basic Firearm Safety in a disaster** - The group discussed the increase in personal firearms ownership over the last couple of years. What to do if we encounter an unattended insecure firearm while doing a CERT drill or helping out in an actual emergency? Stuart has had basic firearms safety training and can unload most modern firearms. Beyond that, CERT needs to contact the police so that they can pick up the firearm and put it somewhere safe.
- 3. CERT Classes Restarting** - [City of Mountain View CERT classes](#) will resume soon. Contact Bob Maitland ([Robert.Maitland@mountainview.gov](mailto:Robert.Maitland@mountainview.gov)) for more details.
- 4. National CERT Conference** - To be held between August 15 and 20th, 2022 in Galveston Texas. The 2022 theme is "Talking CERT to the Next Level". Visit the linked website and contact Bob Maitland for more details.
- 5. Wagon Wheel Neighborhood Association (WWNA) Winter Warmup Review** - The group reviewed the 3/5/2022 WWNA Winter Warmup event. The event went well. We met Greg and Kailee (both nurses) who may be interested in joining.
- 6. CERT Grant Application due on 3/31/2022** - Susan and Matt reminded the group that our grant application is due on 3/31/2022. We may need a charger or other portable power system and a solar panel to charge it. Action Item for sgoodis@gmail.com - Check on group purchases with other CERT groups.
- 7. CERT Shed Inventory Meeting** - Action Item for sgoodis@gmail.com - Schedule a meeting at the CERT shed on Athena Court to inventory items and see what needs to be replaced. Possible date of Sunday 3/13/2022 in the morning.
