Hi,

*I am currently working on a project for the OCR Extended Project Qualification and I would like to produce a video that could either raise awareness of cyber-bullying and/or possibly be a useful resource for citizenship or learning for life lessons. My teacher (Mr Welch) who says he is your favourite brother has given me your email address.*

*I am unsure at this stage which group for it to be aimed at although my thinking is KS3. To help me decide and further investigate the issue I would appreciate it if you could help me by filling in short questionnaire attached. All answers and school/personal details will be anonymised and if you feel you cannot answer any questions then please leave it blank.*

*Thankyou 😊*

---

Hi,

*I am currently working on a project for the OCR Extended Project Qualification and I would like to produce a video that could either raise awareness of cyber-bullying and/or possibly be a useful resource for citizenship or learning for life lessons. I think Mr Welch has mentioned something to you regarding the subject.*

*I am unsure at this stage which group for it to be aimed at although my thinking is KS3. To help me decide and further investigate the issue I would appreciate it if you could help me by filling in short questionnaire attached. All answers and school/personal details will be anonymised and if you feel you cannot answer any questions then please leave it blank.*

*Thankyou 😊*
