**Remember, don't overdo it in an audition. If you over emphasise words or sentences to try to show your range, you'll just sound off and I'll be able to tell. Listen to the video that Pexto has read out and feel out your own way of reading. Good luck!**

### Intro

From apologizing after falsely accusing someone.

**5:45 to 5:47**

**I'm sorry we got this wrong.**

To taking accountability when you don't have to.

**2:57 - 3:00**

**I am sorry, I am so, so sorry.**

Here's how an apology can make you LOVED or HATED.

Starting with comedy YouTuber The Mannii Show,

### The Mannii Show

whose apology would change everything, after he abused the copyright system, targeting a commentary channel Engween.

**0:42 to 0:47**

**This morning my Mannii show video just got smited. The video in question,**

**0:48 to 0:50**

**is why everyone hates The Mannii Show.**

Given that Engween was following copyright laws, Manni was now in hot water.

**What the hell. Mannii is taking it too far, bro.**

**The Mannii show better pull out the ukulele and start singing for us.**

Even Penguinz0 commented on the situation,

**3:36 to 3:44**

**13 seconds of the video was enough to lead the Manny show to strike the entire f\*cking channel here. That's some f\*cking filthy fish paste right there.**

But 10 days later, Mannii offered an explanation and an apology.

**0:36 to 0:44**

**Ahead of VidCon, I hired an agent to help manage my monetization sharing and they went beyond by filing a copyright claim on Engween's video.**

**1:59 to 2:05**

**To those outraged by this, I am genuinely sorry with what has happened.**

Along with correcting the mistake.

**1:35 to 1:37**

**I immediately fired the agent,**

**1:30 to 1:35**

**and contacted YouTube to reinstate the video and make things right with Engween.**

**1:49 to 1:59**

**But at the end of the day, it is my name on the channel, I hired the agent, and I take full responsibility.**

Mannii made no excuses, and this honest approach got him forgiveness.

**I appreciate him making a genuine apology.**

**You can tell he meant it**

**This is possibly the greatest apology I've seen on this app.**

Including from Penguinz0,

**0:17 to 0:19**

**Legitimately, this is a really good response to the whole thing.**

**0:10 to 0:12**

**Probably one of the best I've seen.**

Now, The Mannii Show's back to making comedic skits with an extra 500,000 subscribers.
