Meeting began at 5:34pm (*held virtually due to inclement weather*)

Brett Konomos with Booster gave a presentation at the beginning of the meeting about fundraising opportunities with their company. He shared about several district schools in the area that utilize their services. Their company does fundraisers for schools to help them raise money. The typical format is a one-week fundraiser (different themes available) culminating in some sort of an event at the end of the week. Schools in our area have raised approx. \$17-\$19K using Booster. There are multiple package options available with varying degrees of support from Booster. Mrs Bennett will be discussing with the Building Leadership Team to get their input.
