Re: End of Year 8th Grade Activities

Dear Parents and Guardians:

We are fast approaching a very exciting time for 8th graders. It is hard to believe that high school is less than seven months away. Preparations for our graduation and year-end 8th grade activities are already well underway. Please note the following on your calendar.

Spring Play	Friday, March 16
Movie (Hidden Figures) field trip	Friday, April 6
History/English Engagement Day	Wednesday, May 16
Six Flags field trip	Tuesday, June 12
8th grade dance	Wednesday, June 13
Graduation	Thursday, June 14

The purpose of this letter is to provide you with the list of 8th grade events, and to ask for your help in emphasizing the importance of responsible student behavior for the remainder of the school year. It is our sincere hope that all 8th graders will be eligible to participate in each of the planned events with classmates.

This week, Kaki McLachlan and I will begin meeting with 8th graders in Advisory classes to discuss the year-end activities and reinforce high expectations for 8th graders through June 14, 2018. Students will be reminded that loss of privileges may be assigned as consequences for failing grades, poor attendance, failure to turn in library materials, office referrals, or more serious infractions that result in school suspension or home suspension. The activities listed above, including participation in graduation, are privileges that may be withheld for irresponsible behavior.

We know that our students are responsible 99% of the time and that these reminders may seem unnecessary. However, it is our sincere desire that all 8th graders participate in activities they will remember for some time. Thank you for working with us to make this a reality. If you have any questions, please contact Rick van Adelsberg or Kaki McLachlan at (415) 454-8390.
