What if Assignment(week#4)

ASSIGNMENT

A) Write two 'I wish... . If..., I would' statements.

I wish I/you/she (had, lived, were, went, could, etc.)

If I _____, I would _____

B) Choose any 'What if' question and answer it (at least 50 words)

Name	Answers
제프	I wish I lived closer to campus. If I lived closer to campus, I would spend much less time on the subway. I wish my wife liked my kkakdugi more. If she liked my kkakdugi more, I wouldn't have to eat it all by myself. <i>If you could use a time machine only once, what time period would you visit?</i> f I could use a time machine only once, I would travel 100 years into the future. I'm very curious to see what's going to happen to our global society. Hopefully, we can overcome the many challenges that face us. If things have not turned out well, I would come back to the present and do whatever I could to make positive changes that would avoid that unfortunate future.
순성	I wish I had ability that can copy every movements. If I had copy-cat ability, I will become a famous talent in Korea.

	I wish my roommate liked me. If he likes me, I can be friendly to him. If you become a millionaire, what would you do? First, I will buy a new house for my parents and also for me. Secondly, I will go travelling to Europe for about 6 months with my best friends. I will buy a nice car for driving and also buy nice clothes. I will always play with my friends. However, I'm not going to give up my job 'student'. I will concentrate in studying and also make my goal which is 'flight attendant'.
한솔	I wish I lived closer to BUFS. If I lived closer to BUFS, I would spend much less money to dormitory fee and the cost of living. I wish I lived in GYEONGGI-DO. If I live in GYEONGGI-DO, I wouldn't be scared about earthquake. If you received 1억 원, what do you want? If I received 1억 원, I would give 3000만원 to my parent. And I would save 2000만원. And I would give 1000만원 to my grandmother. I would travel to Europe for one year. The rest, I would donate to charity. So, I want poor people to be normal. These days, many people want to get much money. However, money is not important to our life. Therefore, I want many people not to be blind with love of money.
도영	I wish I had healthy foods easily for cheap price. If I had some healthy foods easily with cheap price, I couldn't get any illness so that much. I wish one day was 48 hours. If one day was 48 hours, I could sleep long hours with less worries, play long time with less worries, and study something that I have to do leisurely. If you had supernatural power that can change someone's mind that you want, what would you do with this power? If I could change someone's mind that I want, I would make my mind that I don't get any hurt feelings. Secondly, I would make one guy that I have loved before to love me forever. Lastly, I would make the people that around with me to get along well with each other and never fight for even a little things.
예현	I wish I lived in Seoul. If I did, I would like to go to Lotte World everyday. I wish I was tall. If I was tall, I would wear long skirt. If you could discover a lot of money on the street, do you carry all the money? If I could discover a lot of money on the street, I would carry all the money. I will spend half of the money to a good thing. And then any money that's left over will save them to the bank for a rainy day. I hope people think about money to be valuable.
찬호	I wish I were good at English, If I were a good speaker of English, I would make some foreign friends. I wish I had a dog, If I had a dog, I would raise a dog with love.

	If you had supernatural power that you can instant movement, what do you do? If I had the supernatural power I will travel everywhere, and I will be the most safe, quick and expensive delivery man. And I can economize traffic time. I don't need car and passport. When someone got in trouble because of earthquake, I can help.
수미레	I wish I had a good memory. If I had a good memory, I would be an interpreter of Pentalingual (Multilingual). I wish I were an actress. If I were an actress, I would go to Hollywood. I also would be the celeb, then I could go to a lot of countries. <i>If you were a famous pianist, what would you do?</i> If I were a famous pianist, I would you go to Germany, and I would hold a big concert with the orchestra. I also would hold it in Austrian. It was my dream when I was little, so I could fulfill it. I could hold charity concert for welfare. I also would get married a German violinist, then I would live there, then my family would be musical family, so I could have a wonderful life.
재현	I wish I have a cute pet. If I had a pet, I would play and walk with my pet. I wish I have intelligent brain. If i had a intelligent brain, I would be a successful businessman. I also would gain wealth, and I would donate to the poor. If you don't get fat no matter how too much you eat, what would you do? If I don't get fat no matter how too much I eat, I will eat my favorite foods such as choco pie, cake, bread, pizza everyday. And I don't need choose what I eat in food court and exercise to lose weight because I don't get fat.
소희	I wish I had less homework in all of my classes. If I had less homework I could have more free time. I wish my family moved to Busan. If they did I can live together and I do not have to live school dorm. If you could go anywhere you want for vacation, where would you go? If I could go anywhere I want, I were going to a quiet and beautiful island. I will go there with my family or best friends, eat delicious food, enjoy the beach, and relax enough. It will be a nice vacation because there are people who I love, food, beautiful sceneries and peaceful places.
은희	I wish I had foreign friends. If I had these people I could be a good foreign speaker. Also I could eliminate the fear about having conversations with foreigners. I wish I had a teleportation. If I had it I wouldn't worry about late for an appointment. And it could be very useful in my life. If you become a professor Lebow, how much homework would you give to students? If I become a prof Lebow, I would give homework to my students once a week. Because students are busy to do all their homework, prepare for next classes, and they also need some rest.

	However as a student they have to keep their study, so I would give them homework once a week.
수지	I wish I lived closer to campus. If I lived closer to campus, I would get more sleep. I wish I had a cat. If I had a cat, I would be happier than before I had not. If you could be anywhere doing anything with anyone right now, what would you be doing? I would go to space with my best friend. Because space is not the place I can go anytime and I always yearn the universe and wonder what is in the universe. Later, if I could go to space, I would be very old. I want to go space when I'm young.
주용	I wish I had thick and healthy hair. If I had thick and healthy hair, I could have a try more diverse hair style. I wish I go back to 4years ago. If I go back to 4years ago, I wouldn't be start smoking. If you could have a conversation with animals, what would you do? If I could have a conversation with animals, then I would talk with my puppy Heedong. He usually has a poker face, so I can't recognize his feelings or idea. I would ask him what he feels happy with my family or not since he was adopted into my family. And also I would ask him what is his favorite food.
원주	I wish I recovered from flu. If I had an injection, I would have had better condition now. I wish lived closer to my mom. If I lived closer to my mom, I would go to my mom when earthquake is occurred. If you had only 24 hours to live, what would you do? If I had only 24 hours to live, I would do something that I couldn't try before. For example, I would say "Thank you" to my parents at first. I couldn't say this word before, because it is too shy to tell them. Second, I would buy something that I usually want to buy, but couldn't buy as it was so expensive.
성준	I wish I could control time. If I could control time, I would learn every language in the world. I wish I could live in the Bahamas. If I lived there I would surf in the ocean everyday. If you could visit the future, what would you do? I would first ask my future self what stocks I should invest in. Then ask about my wife, if I have one, and if I do ask how I met her. Then I would eat the best food of the future and ask my future self to pay for it. Lastly, I would buy the latest phone and bring it back to the present and show large corporations the new innovations.
기빈	I wish I had a perfect memory. If I had a perfect memory, I would remember every song I listened and play it on my guitar. I won't have to study for tests either as long as I listen to every word in class.

	If I could stop time for a day, I would walk around and take pictures of every cloud I see in the sky. If I had 24 hours as my last day, I would most likely simply go to my favorite cafe and read a book with a cup of warm cappuccino. There is nothing great I can accomplish in 24 hours, so I would simply take it easy and spend it how I would enjoy my other free time. Wouldn't that be satisfying? I would rather die in ease than to desperately struggle to do a list of tasks in my 24 hours. We are only strong because there is always a tomorrow. Knowing that there is no tomorrow, we become hopeless and weak. Therefore, I wouldn't struggle at all. I'll just be drinking my coffee with a book in hand.
화정	I wish I did skydiving. If I did skydiving, I could exceed myself. I wish I went abroad. If I went abroad, I had new foreign friends. If you had only 24 hours to live, what would you do? I will return to my house and I will walk around my hometown, which I am born and grow up. For long ago, I saw a movie that a man has a party before he die. I was impressed that. So I want to have a party with my precious people. We will have last time for all day. Last time, I want to give my last letter and present to all people.
