To + inf

She is going to the shopping mall **to buy** some clothes.

The **shoemaker** was honest and kind.

He lived with his wife. They were very poor.

He made a pair of shoes from leather.

Two little elves helped him making new shoes.

**My favorite clothes**

My favorite clothes are **galabya**. It is a long white robe. It is made from cotton. It has long sleeves to keep you from getting burn. It has two hidden packets. There are some beautiful patterns on it. We wear a galabya in feasts like EID Fitr.

**Clothes in Mexico**

Mexican girls like to wear bright dresses during feasts and celebrations. **Sombrero** is a traditional Mexican hat. There are different styles of it.

**Elephantine Island** is a fantastic place in Aswan. It is the oldest part of Aswan. Its shape is look like an elephant. We found a very rare colander from the reign of Thutmose 3. The sunsets were fantastic from the felucca. Nubian villages had decorated houses. We had a walk to the tombs of Nobles.

**Past continuous** talking about something happen in the past in a pacific time

I **was watching TV** yesterday at 6 o'clock.

We **were helping** our mom last week in the evening.

**Climate change**

**Greenhouse gases** are important to keep our planet at the suitable temperature. They make the temperature to go up. They are carbon dioxide, water vapor and methane. Greenhouse gases work as a **blanket** around the earth. **Causes of greenhouse gases** are pollution of factories, transportation, building things and livestock farming.

The result of greenhouse gases are animals may lose their home because the plants die. The sea level rises.

### Pros and cons of eco-tourists

| Pros  | cons                                     |
|---|--|
| It helps the environment.                                 | It's not comfortable as normal tourism.  |
| It helps local people to get job                          | Wild animals may harm humans.            |
| It doesn't cost much money.                               | Tourists may get lost in isolated places |
| It looks after historical monuments and natural wildlife. |  |
