

How To Translate Docs, Slides, Forms, & Websites

Tool	Directions	Picture
Google Docs	Tools → Translate Document → Choose a Language	 A screenshot of the Google Docs interface showing the 'Tools' menu open. The 'Tools' menu item is circled in blue. The 'Translate document' option at the bottom of the menu is also circled in blue. Other visible options include 'Spelling and grammar', 'Word count', 'Review suggested edits', 'Compare documents', 'Citations', 'Tasks', 'Variables', 'Line numbers', 'Explore', 'Linked objects', 'Dictionary', and 'Voice typing'. The background shows a document titled 'is, & Websites'.

Google Slides

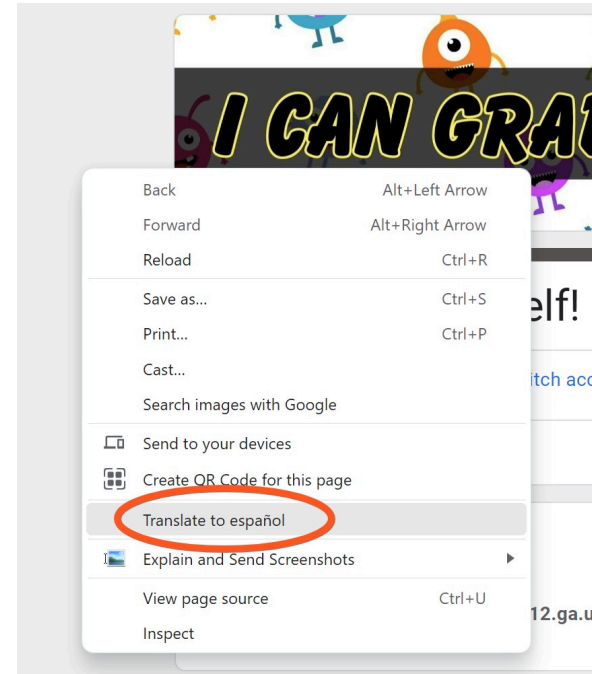

Download the document as **PPTX**.

Login into **Canva**, Choose File, Upload, the Resize, (scroll down), Translate
