NZARSC Chairperson's Message

Kia ora koutou,

It is exciting to welcome all of our artistic skating community to Rotorua, for the 2025 Graeme Sheppard Challenge combined with the Joan Alexander Challenge.

After many years without the Joan Alexander precision competition on our skating calendar it is with great pleasure that the New Zealand Artistic Committee have been able to plan, organise and host this year's competition, include the newer group disciplines and combine it with the previously reinstated Graeme Sheppard Challenge.

Please take the time to read the information included in this programme about both Graeme and Joan who these competitions are in honour of.

I am truly grateful for the investment in time and skills by the programme developers and the Organising Committee, comprised of Janine Price, Di Gunson, Rachael Parkinson-Turner, Bruce Crosby and Michelle O'Doherty, who have all worked alongside myself and the Artistic Committee to make these competitions a reality. I would also like to take this opportunity to thank our officials and other volunteers who will work hard throughout this weekend to make these competitions a success for all.

It is a privilege to welcome all our skaters and their supporters, our Life Members and Members of the NZFRS Board to these prestigious competitions.

I wish you all the very best and I hope you all have successful and enjoyable skates.

Yours in Skating,

Yvonne Lambert-Smith
Chairperson Artistic Roller Sports Committee

Graeme Sheppard

Graeme was born in New Plymouth where he started his involvement with roller skating.

After a brilliant career as a skater, he moved to coaching, then on to judging and Chair of the Artistic Committee.

He became an International judge for NZ attending many World Championships and events in the Pacific and was highly regarded worldwide.

Graeme had a larger-than-life personality and a big voice. He was a hard worker and a man of courage as a leading activist in Human Rights in NZ along with being a successful Auckland businessman. As a motivator and showman, he brought out the best in those around him.

He is remembered for his passion for the things he loved, for drawing others into his dreams, steadfastly encouraging skaters and promoting roller skating. Remembered by many and gone too soon.

- Raewyn Hailes

Joan Alexander

Artistic Roller Skating was a major part of Joans life which began when she was in her early teens.

From 1959 to the late 1970's Joan was a commissioned judge. She judged her first international event in 1974 which was at the Australasian Champs held in Hamilton. Through the mid to late 60's she was involved with a working panel to amalgamate the RSROA and the NZARSA into the NZFRS. Once the amalgamation occurred in 1969 she became a member and then Chairperson of the Dance Committee and when the committees amalgamated to form the Artistic Committee she took on the role of Secretary.

In the early 1980s through to the early 1990s, she set up and ran the Auckland Artistic Skating League with Ray McLeod. At these, she organised a school for training artistic judges which produced many judges with three going on to become international judges. In 1988 she was elected onto the NZFRS executive committee and from 1990 –1998 was the NZ Treasurer for the Federation. From 1989 to 2005 she was appointed Chairperson of the Precision Committee with the responsibility to set up and run precision for NZ, which was a newly formed discipline for roller skating worldwide. This included creating a precision manual from scratch. In the late 1980s, she was also involved in negotiating the first Heads of Agreement with Australia for the Junior Pacific Champs. This was the start of the Oceania Champs as we know them now.

In 1990 she set up the first international precision rules and staged the first international precision skating event in Auckland at the Asia/Pacific Games. That same year she introduced mini precision in NZ – the first country in the world to do so, and also created the first-ever medal test system for Precision skating in NZ. Joan also managed a number of international precision teams over the 90's and into the 2000's.

In 2004 she set up the rules for NZ Show Skating. Also in 2004, Joan received the Sports Auckland award for Service to Sport and in 2005 was made a Life Member of the NZFRS.

This year we reinstate the Joan Alexander Challenge which was originally formed as an inter-island competition to provide a major competition for precision teams, a discipline that Joan was passionate about. This year we have also incorporated all the newer team disciplines which Joan would have approved of.

- Tony Alexander and Yvonne Lambert-Smith
