ScholarMatch:

ScholarMatcher™ is a free college search tool designed to assist prospective college students from households earning less than \$50,000 per year with their college search.

After measuring more than 1400 schools, we discovered the 301 colleges that offer superior resources, support, and outcomes for low-income and first-generation youth. This user-friendly tool allows students to build a balanced college application list, selected exclusively from the schools where they may be most likely to thrive.
