

BUHLER HIGH SCHOOL BASKETBALL PEP BANDS

The Buhler High School Pep Band performs alongside the men's and women's basketball teams at all home games. The Pep Band is a crucial component of the game atmosphere, the energy displayed by our fans and the team heavily on what we do and how we play. Please read the guidelines below so that you are able to be successful throughout the entire season.

OVERVIEW/EXPECTATIONS

- The entire high school band is split up into two pep bands (Maroon and Silver) based on instrumentation.
- It is the student's responsibility to show up to EVERY game they are assigned. If there is a conflict, see procedures below.
- Pep Band attire: members will wear BUHLER BAND Pep Band T-shirt/Secondary Uniform (Jacket, Pants/Black Shorts) or Game Day "Theme/Spirit Wear" when performing.
- Band is also a visual art. Your actions represent the Buhler Band program to our visiting teams and their fans. All band members are expected to follow school rules at all times. Consequences will be determined by the directors and school administration.
- Maroon Band and Silver Band rosters & schedule will be posted in October.

IF YOU ARE ABSENT FOR A GAME...

1. Find a substitute from the OPPOSITE band to take your place. Subs must be of the same section.
2. Communicate to the director WELL IN ADVANCE when you will be gone, why you will be gone, and who will be your sub. Pep Band Substitute forms must be completed via Google Classroom.
3. Find a game to attend that the opposite band is performing at. For example, if you are in the Maroon Band and miss a game, you will need to find a Silver Band game to perform at. Once you attend that game, you will be given full points for your absence.
4. When in doubt, COMMUNICATE!!! Things happen, the directors are willing to work with you if something happens.

GRADING

- Pep band games are performances. You will receive 100 points for every required game you perform at.
- If you are not at a required game but you have [communicated and found a sub](#), you will receive 50 points & won't receive the other 50 points until you make it up at the opposite band's game.
- If you have not communicated your absence or found a sub, you will receive 0 points for that game.

EXTRA PEP BAND PERFORMANCES

- Students are encouraged to attend additional pep band performances. Students will earn points towards "Lettering" in Band for additional pep band performance performed/attended.
