Dear Cavalier Community,

Here is today's update:

- **Memorial Day** I hope you all had a wonderful Memorial Day weekend and enjoyed the weather with your family and friends!
- **Reopening Children's Services at Louise Peacock** Staff are preparing for a scaled reopening of LP with a target start date of June 1. Office staff will be contacting families regarding their childcare needs based on the survey results beginning today, May 26. Priority enrollment criteria have been established based on parents/guardians who are essential workers and need full-time care. We are asking for families to be patient as it will take some time to contact eligible families. With the limited enrollment regulations (including staff, we may only have classroom group sizes of 10 people total), we will continue to contact families until we reach capacity. Once capacity is reached, we will notify the remaining families.
- **Nellie Reed and Elsa Meyer yearbooks** Both yearbooks have been submitted for some time now. Lifetouch is still unable to provide us with an exact shipping date, however. Currently three out of Lifetouch's six printing labs are open. Due to the Coronavirus and state mandates, Lifetouch is working with a reduced staff, social distancing, and making sure that the labs are sanitized and safe. As we find out more information and have a specific target date, we will let you know.
- **FAQ answers** Here is a link that has answers to questions you have been asking. [PARENT FAQ answers](#). You may still ask questions by accessing the following survey: <https://forms.gle/5uopz6dtj26yKNsSA>
- **COVID cases in Shiawassee County** As of 2 p.m., yesterday, (*information is updated at 2 p.m. daily*), there are **235 known cases** of COVID-19 in the county (and **24 COVID-19 related deaths**). If you are aware of someone who is showing symptoms, you are to reach out to the Shiawassee County Health Department (989) 743-2460 and they will investigate. The following [Coronavirus site](#) provides the most up-to-date information (*updated daily at 2 p.m.*). Finally, here's a link on [what to do if you're sick](#).

Again, thank you for your understanding and patience!

Sincerely,

Superintendent John Fattal
