

# Technical Sale Sheet

A Deliciously Mischievous French Gin

## Production & Liquid

- New world gin sourced & produced in Turenne, in the South of France
  - Vegan & organic
- Base spirit & ingredients locally sourced in France
  - Sugar beet = base spirit
  - Botanicals: Fig, sweet orange, angelica seed, coriander, cardamom, lime, lemon, juniper
  - Infused with "Figue de Solliès " after the 2nd distillation
  - French Moscatel (muscat blanc) white wine added after the fourth & final distillation

## The Taste

- Does not require an additional ingredient, mixer, or garnish to enhance its unique flavor.
- Has a warm entry that develops with juniper, citrus, pear, and green apple notes. A finish with black pepper and white wine notes.
- Flexible and versatile base for many cocktails.
- Designed as a sipping gin, Sweet Gwendoline French Gin can be enjoyed chilled, neat, or over ice. (People understand this from the minute they taste it without being prompted)
- Perfect in a dry martini as part of the classic cocktail revival "the perfect martini."
