

The InfoTech team invites students to the field for fun activities throughout the day according the following schedule:

K/4 from 10:30-11:15

2/5 from 11:30-12:15

1/3 from 12:15-1:00

We will be offering the following activities:

Activity 1: Apple Stacking

- Students will work in groups with steam buddies to try to create apple stacks or pyramids. Who will build the tallest?

Activity 2: Egg race

- A new twist on an old favorite: students will build their own “spoons” out of craft sticks and tape and race with a hardboiled egg.

Activity 3: Parachute

- Fun with the big gym parachute.

Activity 4: Quiet Corner

- Basket of books
- Sunprint activity
- Crayons and paper for leaf rubbings
