

# Sora Reading App

To use the Sora App, follow these steps:

- 1. Log into your Chromebook using your regular school login and password, which you can use on any computer.
- 2. Go to the Sora App online: [Sora](#)
- 3. You will get to a prompt based on your login, which says:

- 4. You will be directed to pick one of the following, which will direct you to English or French selections:

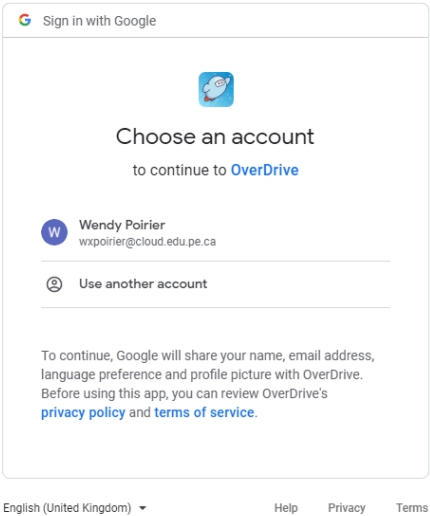

- 5. You may get this prompt again, just click it:

- 6. The next pop up should have your Google Acct info, click on it:

- 7. You are in!

Keep reading for more tips!

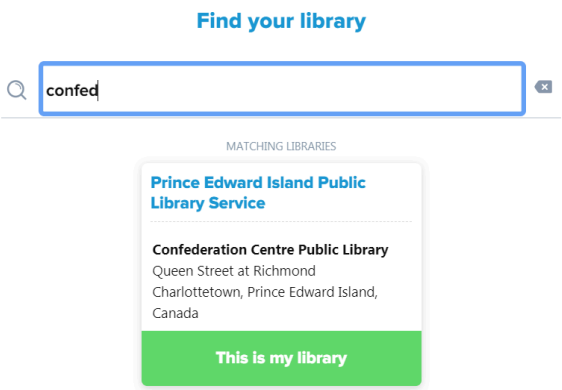

# Sora App Resources

## 1) To add our public library:

- a) Click this menu symbol on the top, far-right corner:
- b) Then click:

- c) Start typing Confederation or Prince Edward...click, "This is my library" and it will give you access to lots more titles!

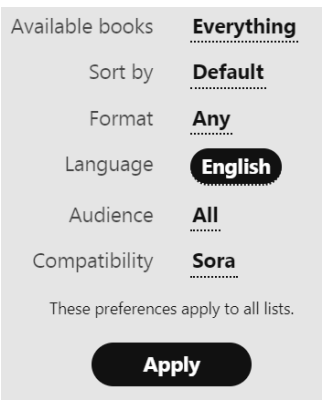

## 2) Setting Preferences for searching:

- a) Click on Explore:

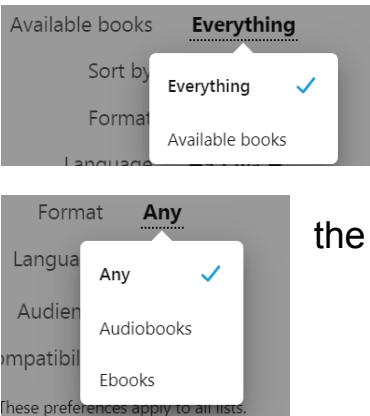

- b) You will get a menu of choices:

If you only want to search books which are available now (no holds necessary), select Available books:

If you select audiobooks you only get audio, Ebooks are only print, there are very few books that offer both.

the

## 3) Borrowing and Reserving a Book:

- a) Once you have found a book you are interested in, click on the picture of the cover and it will open a page full of information about the book. On the left, you will see a menu like this, simply click Borrow.
- b) To reserve a book, you will see this instead:  
The yellow box tells you how long it will be before you can expect to see it on your shelf.
