D E G A

[Verse 1]

D E
Well she was an American girl
G A
Raised on promises
D E
She couldn't help thinkin' that there
G
Was a little more to life
A
Somewhere else
D
After all it was a great big world
G E
With lots of places to run to
A
Yeah, if she had to die
Tryin' she had one little promise
She was gonna keep

[Chorus]

G A
Oh yeah, all right
D
Take it easy baby
Bm
Make it last all night
G A D
She was an American girl

[Verse 2]

D E
Well, It was kind of cold that night
G A
She stood alone on her balcony
D E
Yeh, she could hear the cars roll by
G
Out on four forty one
A
Like waves crashin' in on the beach
D
And for one desperate moment there
G E
He crept back in her memory
A
God it's so painful
Something that's so close
And still so far out of reach

[Chorus]

Oh yeah, all right

Chord Structure: **Verse:** G, D, Em, C7 | **Chorus:** G, D, Em, C7 | Solo: S: A, Em, F#m, D

Looking around the house Hidden behind the window and the door Searching for signs of life but there's nobody home Well, maybe, I'm just too sure Or, maybe, I'm just too frightened By the sound of it Pieces of note fall down, but the letter said Aha, it was good living with you Aha, it was good Aha, it was good living with you Aha, it was good Good, good, good, good, good, good Sitting around the house Watching the sun trace the shadows on the floor Searching for signs of life, but there's nobody home	Well, maybe I'll call Or I'll write you a letter Now, maybe we'll see on the Fourth of July But I'm not too sure, and I'm not too proud Well, I'm not too sure and I'm not too proud to say Aha, it was good living with you Aha, it was good Aha, it was good living with you Aha, it was good So good Aha, it was good, living with you Aha, it was good, ah-ah-ah-ah-ah Aha, it was good, living with you Aha, it was good, ah-ah-ah Ah-ah-ah-ah Yeah, you were so good Yeah you were so good, yeah that's right

Semi-Charmed Life

Singer: John

Key: G **Start:** Drum fill

Chord Structure: **Verse:** G D Cadd9 | **Chorus:** G D Cadd9 **Bridge:** C, G/B, Am

Doo-doo-doo, I'm packed and I'm holding, I'm smiling She's living, she's golden, she lives for me Says she lives for me Ovation, her own motivation She comes 'round and she goes down on me And I make her smile like a drug for you Do ever what you want to do, coming over you Keep on smiling what we go through One stop to the rhythm that divides you And I speak to you like the chorus to the verse Chop another line like a coda with a curse Come on like a freak show, takes the stage We give them the games we play, she say Chorus: I want something else To get me through this Semi-charmed kind of life, baby, baby I want something else I'm not listening when you say Goodbye Doo-doo-doo, doo-doo-doo-doo Doo-doo-doo, doo-doo-doo-doo Doo-doo-doo, doo-doo-doo-doo Doo-doo-doo The sky was gold, it was rose I was taking sips up into my nose And I wish I could get back there, some place back there Smiling in the pictures you would take Doing crystal meth will lift you up until you break It won't stop, I won't come down, I keep stock With a tick-tock rhythm, a bump for the drop And then I bumped up, I took the hit that I was given Then I bumped again, then I bumped again, I said How do I get back there To the place where I fell asleep inside you? How do I get myself back to The place where you said	Chorus: I believe in the sand beneath my toes The beach gives a feeling, an earthy feeling I believe in the faith that grows And the four right chords can make me cry When I'm with you I feel like I could die And that would be alright, alright And when the plane came in, she said she was crashing The velvet it rips in the city We tripped on the urge to feel alive But now I'm struggling to survive Those days you were wearing that velvet dress You're the priestess, I must confess Those little red panties, they pass the test So slide up 'round the belly face down on the mattress one And you hold me And we are broken Still it's all that I want to do, just a little now Feel myself hovering off the ground I'm scared, I'm not coming down No, no And I won't run for my life She's got her jaws now locked down in a smile But nothing is alright, alright Chorus: Goodbye, goodbye Goodbye, goodbye Doo-doo-doo, doo-doo-doo-doo Doo-doo-doo, doo-doo-doo-doo Doo-doo-doo, doo-doo-doo-doo The sky was gold, it was rose I was taking sips up into my nose And I wish I could get back there, some place back there In the place we used to start our lives Doo-doo..... (I want something else)

With my big black boots and an old suitcase I do believe I'll find myself a new place I don't wanna be the bad guy I don't want do your sleepwalk dance anymore	I just wanna feel some sunshine I just wanna find some place to be alone
I just wanna see some palm trees I will try and shake away this disease	We could live beside the ocean Leave the fire behind Swim out past the breakers Watch the world die
We could live beside the ocean Leave the fire behind Swim out past the breakers Watch the world die	We can live beside the ocean Leave the fire behind Swim out past the breakers Watch the world die
We can live beside the ocean Leave the fire behind Swim out past the breakers Watch the world die	We could live beside the ocean Leave the fire behind Swim out past the breakers Watch the world die
I am still dreaming of your face Hungry and hollow for all the things you took away I don't wanna be your good time I don't wanna be your fallback crutch anymore	We could live beside the ocean Leave the fire behind Swim out past the breakers Watch the world die Oh, yeah, watch the world die Yeah, yeah, watch the world die Whoa, yeah, watch the world die Yeah, watch the world die

Stars

Singer: John

Key: D

Start: Guitar

Chord Structure: Verse: Gsus2 Dmaj7/F# D | **Chorus:** Gsus2 Dmaj7/F# D

She thinks she missed the train to Mars, she's out back counting stars
She thinks she missed the train to Mars, she's out back counting stars

She's not at work, she's not at school, she's not in bed, I think I finally broke her
I bring her home everything I want, and nothing that she needs

I thought she'd be there holding daisies, she always waits for me
She thinks she missed the train to Mars, she's out back counting stars

I found her out back sitting naked looking up and looking dead
A crumpled yellow piece of paper, with seven nines and tens

I thought she'd be there holding daisies, she always waits for me
She thinks she missed the train to Mars, she's out back counting stars

I thought you'd be there holding Daisy, you always wait for me
She thinks she missed the train to Mars, she's out back counting stars

The Boys of Summer

Singer: John

Key: D#m

Start: Guitar

Chord Structure:

Verse: D#m, B, C#, B | **Chorus:** F#, C#, B x2

Nobody on the road Nobody on the beach I feel it in the air The summer's out of reach Empty lake, empty streets The sun goes down alone I'm driving by your house Though I know you're not home I can see you Your brown skin shining in the sun You got your hair combed back and your sunglasses on Baby And I can tell you, my love for you will still be strong After the boys of summer have gone I never will forget those nights I wonder if it was a dream Remember how you made me crazy? (Crazy) Remember how I made you scream? But I don't understand what happened to our love But baby, when I get you back I'm gonna show you what I'm made of	I can see you Your brown skin shining in the sun I see you walking real slow and you're smiling at everyone But I can tell you my love for you will still be strong After the boys of summer have gone Out on the road today I saw a Black Flag sticker on a Cadillac A little voice inside my head said: "Don't look back. You can never look back." I thought I knew what love was, what did I know? Those days are gone forever I should just let 'em go, but I can see you Your brown skin shining in the sun You got that top pulled down and that radio on Baby Now I can tell you my love for you will still be strong After the boys of summer have gone I can see you Your brown skin shining in the sun You got that hair slicked back and those wayfarers on Baby I can tell you my love for you will still be strong After the boys of summer have gone

Live Forever

Singer: John

Key: G

Start: Drums

Chord Structure: Verse: G D Am7 C | Chorus: Em7, D, Am7, C, D

Maybe I don't really wanna know
How your garden grows
'Cause I just wanna fly
Lately, did you ever feel the pain
In the morning rain
As it soaks you to the bone?

Maybe I just wanna fly
Wanna live, I don't wanna die
Maybe I just wanna breathe
Maybe I just don't believe
Maybe you're the same as me
We see things they'll never see
You and I are gonna live forever

I said maybe I don't really wanna know
How your garden grows
'Cause I just wanna fly
Lately, did you ever feel the pain
In the morning rain
As it soaks you to the bone?

Maybe I will never be
All the things that I wanna be
Now is not the time to cry
Now's the time to find out why
I think you're the same as me
We see things they'll never see
You and I are gonna live forever

Maybe I don't really wanna know
How your garden grows
'Cause I just wanna fly
Lately, did you ever feel the pain
In the morning rain
As it soaks you to the bone

Maybe I just wanna fly
Wanna live, I don't wanna die
Maybe I just wanna breathe
Maybe I just don't believe
Maybe you're the same as me
We see things they'll never see
You and I are gonna live forever

Gonna live forever
Gonna live forever
We're gonna live forever
We're gonna live forever
We're gonna live forever
We're gonna live forever

Basket Case

Singer: Rick

Key: Eb

Start: Guitar / Vocal

Chord Structure:

Verse: "D#, A#, C, G, G#, D#, A#" | **Chorus:** G#, A#, D#

Do you have the time
To listen to me whine
About nothing and everything
All at once
I am one of those
Melodramatic fools
Neurotic to the bone
No doubt about it

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid?
Am I just stoned?

I went to a shrink
To analyze my dreams
She says it's lack of sex
That's bringing me down
I went to a whore
He said "My life's a bore"
So quit my whining cause
It's bringing her down

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid?
Uh, yuh, yuh, ya

Grasping to control
So I better hold on

Sometimes I give myself the creeps
Sometimes my mind plays tricks on me
It all keeps adding up
I think I'm cracking up
Am I just paranoid?
Am I just stoned?

Longview

Singer: John

Key: E

Start: Drums

Chord Structure: Verse: E, D | Chorus: B, A

I sit around and watch the tube, but nothing's on I change the channels for an hour or two Twiddle my thumbs just for a bit I'm sick of all the same old shit In a house with unlocked doors And I'm fucking lazy Bite my lip and close my eyes Take me away to paradise I'm so damn bored I'm going blind And I smell like shit Peel me off this Velcro seat and get me moving I sure as hell can't do it by myself I'm feeling like a dog in heat Barred indoors from the summer street I locked the door to my own cell And I lost the key Bite my lip and close my eyes Take me away to paradise I'm so damn bored I'm going blind And I smell like shit I got no motivation Where is my motivation? No time for motivation Smoking my inspiration, huh!	I sit around and watch the phone, but no one's calling Call me pathetic, call me what you will (We will!) My mother says to get a job But she don't like the one she's got When masturbation's lost its fun You're fucking lonely Bite my lip and close my eyes Take me away to paradise I'm so damn bored I'm going blind And loneliness has to suffice Bite my lip and close my eyes I'm tripping away to paradise Some say quit or I'll go blind But it's just a myth

Inside Out

Singer: John

Key: B

Start: Guitar / Vocal

Chord Structure:

Verse: Bm, F#, A, G, Bm, F# Ex2 G | **Chorus:** "A, E, B, A, E, F#, (E, B, F# x2)

I would swallow my pride, I would choke on the rinds
But the lack thereof would leave me empty inside
Swallow my doubt turn it inside out
Find nothin' but faith in nothin'
Want to put my tender, heart in a blender
Watch it spin around to a beautiful oblivion
Rendezvous then I'm through with you

I burn, burn like a wicker cabinet, chalk white and oh so frail
I see our time has gotten stale
The tick tock of the clock is painful
All sane and logical, I want to tear it off the wall
I hear words and clips and phrases
I think sick like ginger ale
My stomach turns and I exhale

I would swallow my pride, I would choke on the rinds
But the lack thereof would leave me empty inside
I would swallow my doubt turn it inside out
Find nothin' but faith in nothin'
Want to put my tender, heart in a blender
Watch it spin around to a beautiful oblivion
Rendezvous then I'm through with you

So Cal is where my mind states
But it's not my state of mind
I'm not as ugly, sad as you
Or am I origami, folded up and just pretend
Demented as the motives in your head

I would swallow my pride, I would choke on the rinds
But the lack thereof would leave me empty inside
I would swallow my doubt turn it inside out
Find nothin' but faith in nothin'
Want to put my tender, heart in a blender
Watch it spin around to a beautiful oblivion
Rendezvous then I'm through with you
(Rendezvous)

I alone am the one you don't know
You need take heed, feed your ego
Make me blind when your eyes close
Sink when you get close, tie me to the bedpost
I alone am the one you don't know
You need, you don't know you need me
Make me blind when your eyes close
Tie me to the bed post

I would swallow my pride, I would choke on the rinds
But the lack thereof would leave me empty inside
Swallow my doubt turn it inside out
Find nothin' but faith in nothin'
Want to put my tender, heart in a blender
Watch it spin around to a beautiful oblivion
Rendezvous then I'm through, now I'm through with you

Through with you

Rendezvous then I'm through with you

Flagpole Sitter

Singer: John

Key: D

Start: Together

Chord Structure:

Verse: D, A, C | **Chorus:** D, A, C

I had visions, I was in them; I was looking into the mirror To see a little bit clearer The rottenness and evil in me. Fingertips have memories Mine can't forget the curves of your body And when I feel a bit naughty I run it up the flagpole and see who salutes (but no one ever does) I'm not sick but I'm not well And I'm so hot 'cause I'm in Hell. Been around the world and found That only stupid people are breeding The cretins cloning and feeding And I don't even own a TV Put me in the hospital for nerves And then they had to commit me You told them all I was crazy They cut off my legs, now I'm an amputee, God damn you	I'm not sick but I'm not well And I'm so hot 'cause I'm in Hell I'm not sick but I'm not well And it's a sin to live so well I wanna publish 'zines And rage against machines I wanna pierce my tongue It doesn't hurt, it feels fine The trivial sublime I'd like to turn off time And kill my mind You kill my mind, mind Paranoia, paranoia Everybody's coming to get me Just say you never met me I'm running underground with the moles (digging holes) Hear the voices in my head I swear to God it sounds like they're snoring; But if you're bored, then you're boring. The agony and the irony: they're killing me (whoa). I'm not sick but I'm not well And I'm so hot 'cause I'm in Hell I'm not sick but I'm not well And it's a sin to live this well (one, two, three, four)

Dammit

Singer: John

Key: C

Start: Guitar Riff

Chord Structure:

Verse: C G Am F

It's alright to tell me what you think about me
I won't try to argue or hold it against you
I know that you're leaving, you must have your reasons
The season is calling, your pictures are falling down

The steps that I retrace, the sad look on your face
The timing and structure, did you hear he fucked her?
A day late, a buck short, I'm writing the report
On losing and failing, when I move, I'm flailing now

And it's happened once again, I'll turn to a friend
Someone that understands, and sees through the master plan
But everybody's gone, and I've been here for too long
To face this on my own, well, I guess this is growing up

Well, I guess this is growing up

And maybe I'll see you at a movie sneak preview
You'll show up and walk by on the arm of that guy
And I'll smile and you'll wave, we'll pretend it's okay
The charade, it won't last, when he's gone, I won't come back

And it'll happen once again, you'll turn to a friend
Someone that understands and sees through the master plan
But everybody's gone, and you've been there for too long
To face this on your own, well, I guess this is growing up

Well, I guess this is growing up
Well, I guess this is growing up
Well, I guess this is growing up
Well, I guess this is growing up
Well, I guess this is growing up

My Own Worst Enemy

Singer: John

Key: E

Start: Guitar Riff

Chord Structure:

Verse: E, B, A | **Chorus:** E, F#m, A, B/F#m, E, F#m, A, B

Can we forget about the things I said when I was drunk?
I didn't mean to call you that
I can't remember what was said or what you threw at me
Please tell me...

Please tell me why my car is in the front yard,
And I'm sleeping with my clothes on
I came in through the window last night
And you're gone, gone

It's no surprise to me
I am my own worst enemy
'Cause every now and then I kick the living shit out of me
The smoke alarm is going off, and there's a cigarette
Still burning,

Please tell me why my car is in the front yard
And I'm sleeping with my clothes on
I came in through the window last night
And you're gone, gone

Please tell me why my car is in the front yard
And I'm sleeping with my clothes on
I came in through the window last night

It's no surprise to me
I am my own worst enemy
'Cause every now and then I kick the living shit out of me

Can we forget about the things I said when I was drunk?
I didn't mean to call you that

Decide to walk with me
Around the lake tonight
Around the lake tonight
By my side
By my side
I'm not gonna lie
I'll not be a gentleman
Behind the boathouse
I'll show you my dark secret

I'm not gonna lie
I want you for mine
My blushing bride
My lover, be my lover, yeah...

Don't be afraid
I didn't mean to scare you
So help me, Jesus

I can promise you
You'll stay as beautiful
With dark hair
And soft skin...forever
Forever

Make up your mind
Make up your mind
And I'll promise you
I will treat you well
My sweet angel
So help me, Jesus

(hey, hey, hey)

Give it up to me
Give it up to me
Do you wanna be
My angel?
So help me!

Yeah Now I'll relate this little bit It happens more than I'd like to admit Late at night, she knocks on my door She's drunk again and looking to score Oh, I know I should say no But it's kind of hard when she's ready to go I may be dumb, but I'm not a dweeb I'm just a sucker with no self-esteem Oh, way, oh yeah, yeah Oh yeah, yeah Oh yeah, yeah Oh yeah, yeah When she's saying, oh, that she wants only me Then I wonder why she sleeps with my friends When she's saying, oh, that I'm like a disease Then I wonder how much more I can spend Well, I guess I should stick up for myself But I really think it's better this way The more you suffer The more it shows you really care Right? Vaseline

Singer: John

Key: G **Start:** Guitar

Chord Structure:

Verse: A,F-G, D# | **Chorus:** D#, C

One time a thing occurred to me
What's real, and what's for sale?
Blew a kiss and tried to take it home

Isn't you, isn't me
Search for things that you can't see
Going blind, out of reach
Somewhere in the Vasoline

Two times and it has rendered me
Punch drunk and without bail
Think I'd be safer all alone

Flies in the Vasoline we are
Sometimes it blows my mind
Keep getting stuck here all the time

Isn't you, isn't me
Search for things that you can't see
Going blind, out of reach
Somewhere in the Vasoline

You'll see the look and you'll see the lies
You'll eat the lies, and you will.

Flies in the Vasoline we are
Sometimes it blows my mind
Keep getting stuck here all the time

It isn't you, isn't me
Search for things that you can't see
Going blind, out of reach
Somewhere in the Vasoline.

Crazy, but that's how it goes Millions of people living as foes Maybe it's not too late To learn how to love and forget how to hate	I know that things are going wrong for me You gotta listen to my words, yeah, yeah
Mental wounds not healing Life's a bitter shame	Heirs of a cold war, that's what we've become Inheriting troubles, I'm mentally numb Crazy, I just cannot bear I'm living with something that just isn't fair
I'm going off the rails on a crazy train I'm going off the rails on a crazy train (Let's go)	Mental wounds not healing Who and what's to blame?
I've listened to preachers, I've listened to fools I've watched all the dropouts, who make their own rules One person conditioned to rule and control The media sells it and you live the role	I'm going off the rails on a crazy train I'm going off the rails on a crazy train

Singer: John

Key: EM

Start: Guitar

Chord Structure:

Main: Em, D, G, D **Chorus:** Em, C, D, Em x2

Finished with my woman
'Cause she couldn't help me with my mind
People think I'm insane
Because I am frowning all the time

All day long I think of things
But nothing seems to satisfy
Think I'll lose my mind
If I don't find something to pacify

Can you help me, occupy my brain?
Oh yeah!

I need someone to show me
The things in life that I can't find
I can't see the things that make true
Happiness, I must be blind

Make a joke and I will sigh
And you will laugh and I will cry
Happiness I cannot feel
And love to me is so unreal

And so as you hear these words
Telling you now of my state
I tell you to enjoy life
I wish I could but it's too late

Verse: D, G, F, Ex2, B, A | **Chorus:** D, G, Bb

I'll start this off without any words I got so high I scratched 'till I bled I love myself better than you I know it's wrong so what should I do? The finest day that I've ever had Was when I learned to cry on command I love myself better than you I know it's wrong so what should I do? I'm on a plain I can't complain I'm on a plain My brother died every night It's safe to say, don't quote me on that I love myself better than you I know it's wrong so what should I do? The black sheep got blackmailed again Forgot to put on the zip code I love myself better than you I know it's wrong so what should I do?	I'm on a plain I can't complain I'm on a plain Somewhere I have heard this before In a dream my memory has stored As a defense I'm neutered and spayed What the hell am I trying to say? It is now time to make it unclear To write off lines that don't make sense I love myself better than you I know it's wrong so what should I do? And one more special message to go And then I'm done, and I can go home I love myself better than you I know it's wrong so what should I do? I'm on a plain I can't complain I'm on a plain I can't complain I'm on a plain

Chord Structure:

Verse: E, A, B | **Chorus:** E, A, B | **Solo:** B, E

On the floors of Tokyo
Or down in London town to go, go
With a record selection and a mirror's reflection

When there's no one else in sight
In the crowded lonely night
Well, I wait so long for my love vibration
And I'm dancing with myself

CHORUS

Dancing with myself (ah, oh, oh-oh)
Dancing with myself (ah, oh, oh-oh)
When there's nothing to lose and there's nothing to
prove (ah, oh, oh-oh)
Well, I'm dancing with myself, ah, oh, oh-oh

If I looked all over the world
And there's every type of girl
But your empty eyes seem to pass me by
Leave me dancing with myself

So let's sink another drink
And it'll give me time to think
If I had the chance, I'd ask the world to dance
And I'd be dancing with myself, oh-oh

CHORUS

Dance
Dance

Well, I looked all over the world
And there's every type of girl
But your empty eyes seem to pass me by
Leave me dancing with myself
So let's sink another drink
And it'll give me time to think
If I had the chance, I'd ask the world to dance
And I'd be dancing with myself, oh-oh

CHORUS

Yeah!

Well, I looked all over the world
And there's every type of girl
But your empty eyes seem to pass me by
Leave me dancing with myself

So let's sink another drink
And it'll give me time to think
If I had the chance, I'd ask the world to dance
And I'd be dancing with myself

CHORUS

Oh, my ladies all wet, yeah, sweat, sweat
I wanna sweat, sweat, sweat, sweat, sweat, sweat
Sweat, sweat, sweat, sweat, sweat, sweat
Sweat, sweat, sweat, sweat, sweat, sweat
Sweat, sweat, sweat, ow!
Sweating with myself
I'm dancing with myself, myself
I'm all right

I seem to recognize your face
Haunting familiar yet I can't seem to place it
Cannot find the candle of thought to light your name
Lifetimes are catching up with me
All these changes taking place I wish I'd seen the place
But no one's ever taken me
Hearts and thoughts they fade fade away

I swear I recognize your breath
Memories like fingerprints are slowly raising
Me you wouldn't recall, for I'm not my former
It's hard when, your stuck upon the shelf
I changed by not changing at all, small town predicts my fate
Perhaps that's what no one wants to see
I just want to scream, hello
My god its been so long, never dreamed you'd return
But now here you are, and here I am
Hearts and thoughts they fade, away

Hearts and thoughts they fade, fade away
Hearts and thoughts they fade, away
Hearts and thoughts they fade, fade away
Hearts and thoughts they fade

Verse: Bm, G, A | **Chorus:** Bm, G, A, Bm, Em, F#m | **Bridge:** Bm, G, A

Verse 1

I took a walk around the world to
Ease my troubled mind
I left my body lying somewhere
In the sands of time
I watched the world float to the dark
Side of the moon
I feel there is nothing I can do, yeah

Verse 2

I watched the world float to the
Dark side of the moon
After all I knew it had to be something
To do with you
I really don't mind what happens now and
then
As long as you'll be my friend at the end

Chorus

If I go crazy then will you still
Call me Superman
If I'm alive and well, will you be
There holding my hand
I'll keep you by my side with
My superhuman might
Kryptonite

You called me strong, you called me weak
But still your secrets I will keep
You took for granted all the times I
Never let you down
You stumbled in and bumped your head, if
Not for me then you'd be dead
I picked you up and put you back
On solid ground

Chorus

Solo

Bridge

Oh whoa whoa

Chorus

If I go crazy then will you still
Call me Superman
If I'm alive and well, will you be
There holding my hand
I'll keep you by my side with
My superhuman might

Jessie is a friend,

Yeah I know he's been a good friend of mine

But lately somethin's changed, it ain't hard to define,

Jessie's got himself a girl and I wanna make her mine

And she's watchin' him with those eyes,

And she's lovin' him with that body,

I just know it And he's holdin' her in his arms late late at night

You know I wish that I had Jessie's girl

[Chorus]

I wish that I had Jessie's girl

Where can I find a woman like that?

[Verse 2]

I play along with the charade

There doesn't seem to be a reason to change

You know I feel so dirty when they start talkin' cute

I wanna tell her that I love her, but the point is prob'ly moot

'Cause she's watchin' him with those eyes,

And she's lovin' him with that body,

I just know it And he's holdin' her in his arms late late at night

You know I wish that I had Jessie's girl

[Intro] D

[Verse 1]

You're on the phone with your girlfriend, she's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do

I'm in the room, it's a typical Tuesday night
I'm listening to the kind of music she doesn't like
And she'll never know your story like I do

[Pre-Chorus]

But she wears short skirts, I wear T-shirts
She's Cheer Captain, and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you're looking for has been here the whole
time

[Chorus]

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me, you belong with me

[Verse 2]

Walk in the streets with you in your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench, thinking to myself
"Hey, isn't this easy?"
And you've got a smile that can light up this whole town
I haven't seen it in a while since she brought you down
You say you're fine, I know you better than that
Hey, what you doing with a girl like that?

[Pre-Chorus]

She wears high heels, I wear sneakers
She's Cheer Captain, and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you're looking for has been here the whole
time

[Chorus]

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me
Standing by and waiting at your backdoor
All this time how could you not know, baby?
You belong with me, you belong with me

[Solo]

[Bridge]

Oh, I remember you driving to my house in the middle of
the night
I'm the one who makes you laugh when you know you're
'bout to cry
I know your favorite songs and you tell me 'bout your
dreams

Think I know where you belong, think I know it's with me
Can't you see that I'm the one who understands you?
Been here all along, so why can't you see?
You belong with me
