## THE GUIDE TO TURN YOUR FUNNELS INTO CASH COWS

Funnels are the main source of driving traffic to a business, and when they work, you could find yourself sitting on a gold mine.

But when they don't, whether it be,

- They aren't driving traffic at all
- Or they are driving traffic, but no one seeing them has **the urge to bust out the credit card**

It can mean the difference between a lucrative business, or bankruptcy.

In most cases, people just don't understand the fundamentals when creating funnels to drive traffic, and by the end of the funnel, have people **mesmerized by the product**.

## **THIS 30 DAY CHALLENGE CHANGED MY WAY OF LIFE**

For a time I was at the lowest point in my life both physically and mentally.

I would find myself waking up, if I got any sleep, around noon, and not even getting up to start my day until the sun was setting.

Looking at myself in the mirror, with the weight I had packed on around my hips and belly, made me ashamed.

Ashamed with myself, and I took it out on the ones around me, the ones I loved.

I was a burden to be around.

Whenever I tried to lose weight, I'd lose a pound or 2 with a rigorous diet...

But then it would warp right back on, carrying an extra 2 more with it.

I had tried nearly everything, strict diet, high intensity workouts, even fasting for a period.

### **Nothing seemed to work...**

Today i'm down about 20 pounds, and to think a month ago i was at my lowest point.

With the help of Dr. Walding and his wife Brenda Walding, I can proudly say that I am in the best physical and mental shape I've been in years, and it only took **30 days**.
