

UNITY3D DEVELOPER

We are looking for an experienced Unity3D Engineer with [X] years of experience in a similar position. You will be responsible for designing and developing interactive technologies for virtual production in game development, delivering robust solutions alongside our team of designers and developers.

COMPANY DESCRIPTION:

 [Start with a quick intro about your company's mission and what makes you unique. Then, highlight the work culture—what's it like to work here day-to-day?

Mention any growth or learning opportunities that make the role appealing. Lastly, explain how this role contributes to company goals, giving candidates a sense of the impact they'll have. The goal is to get candidates excited to join your journey!]

JOB TYPE:

Full-time / Part-time / Remote

SALARY:

\$(X)k - \$(X)k yearly.

RESPONSIBILITIES:

- Developing game modules using Unity or Unity3D
- Designing Unity3D game patches
- Providing smooth Unity3D game performance
- Implementing interactive experiences within Unity3D
- Working in a team of other developers and designers, sharing ideas
- Running unit and integration tests for Unity3D projects
- Conducting code reviews and providing Unity3D code quality and standards compliance
- Being involved in Unity3D-related processes of agile development

REQUIREMENTS:

- [X] years of work experience in a similar position
- [X] years of experience in game development
- Proficient with Unity
- Design, build and maintain efficient, reusable, and reliable code
- Translate design specification into a functional game
- Implement game functionality as per communicated design based on the communicated design and requirements
- Solid understanding of data structure and algorithms is the must
- Knowledge of 3D development: 3D modeling, animation, lighting, textures, scripting and rendering is a must
- Experience with iOS/Android development using Unity
- Good understanding of current game industry trends
- A good understanding of performance and optimization
- Excellent communication and collaboration abilities, with a proven track record of working effectively within a team environment
- Strong analytical and problem-solving skills, dedicated to delivering high-quality solutions
- Proficiency in English is required.

BENEFITS:

- Competitive Salary.
- Health Insurance: medical, dental, and vision plans.
- Retirement Plans.
- Paid Time Off: vacation days, holidays, and sick leave.
- Flexible Work Arrangements: remote work options and flexible scheduling.
- Professional Development: learning and development opportunities, including training programs, workshops, and conferences.
- Wellness Programs: fitness classes, mindfulness sessions, and employee assistance programs.
- Commuter Benefits: public transit subsidies, parking discounts, and bike-to-work incentives.
- Employee Discounts: discounts on company products or services, perks and privileges from partner organizations.
- Life Insurance.
- Parental Leave: paid time off for maternity, paternity, and adoption leave.
- Career Growth Opportunities: promotions, lateral moves, and leadership development programs.

- Social Events and Perks: team outings, catered meals, snacks, and recreational activities.
